The Doctrine of Revelation in the Bible	Fundisho la Ufunuo katika Biblia
Introduction	Utangulizi
Theology is thinking about God. It includes a number of approaches and specializations that contribute to our understanding of the nature of God, human existence, salvation, and morality.	Teolojia ni kuwaza juu ya Mungu. Inajumuisha njia na fani mbalimbali zinazotusaidia kuelewa asili ya Mungu, maisha ya mwanadamu, wokovu, na maadili.
The main branches of theology include:	Matawi makuu ya teolojia ni haya:
Systematic Theology — organizing the teachings of Scripture into a coherent system, dealing with Revelation, God, Jesus Christ, the Holy Spirit, the Church, and Eschatology.	**Teolojia ya Kimfumo** — kupanga mafundisho ya Maandiko katika mfumo mmoja unaoshikamana, ikishughulikia Ufunuo, Mungu, Yesu Kristo, Roho Mtakatifu, Kanisa, na Eskatolojia (mambo ya mwisho).
Biblical Theology — tracing theological themes across the books of the Bible, such as the Kingdom, the Fall, Redemption, and the Messiah.	**Teolojia ya Kibiblia** — kufuatilia mada za kitheolojia katika vitabu vyote vya Biblia, kama vile Ufalme, Anguko, Ukombozi, na Masihi.
Historical Theology — studying the development of Christian doctrine through history, including the Trinity, Justification, the Atonement, and other doctrines.	**Teolojia ya Kihistoria** — kujifunza jinsi mafundisho ya Kikristo yalivyokua katika historia, yakiwemo Utatu, Kuhesabiwa Haki, Upatanisho, na mafundisho mengine.
Practical Theology — applying theology to preaching, worship, counseling, pastoral care, and Christian living.	**Teolojia ya Vitendo** — kutumia teolojia katika kuhubiri, ibada, ushauri wa kichungaji, huduma ya kichungaji, na maisha ya Kikristo.

Liberation Theology — emphasizing justice and the liberation of oppressed and powerless people.	**Teolojia ya Ukombozi** — inayosisitiza haki na ukombozi wa watu wanaonyanyaswa na wasio na nguvu.
Feminist Theology — reinterpreting theology from a feminist perspective.	**Teolojia ya Kifeministi** — kuifasiri teolojia upya kwa mtazamo wa kifeministi.
Natural Theology — asking what may be known about God through reason and the natural world apart from Scripture.	**Teolojia ya Asili** — kuuliza ni nini kinachoweza kujulikana kuhusu Mungu kupitia akili na ulimwengu wa asili, bila kutegemea Maandiko.
The purpose of theology is not merely academic. It is not simply to collect information or to master religious ideas. Theology is given so that we may know God truly, trust Him fully, and live in obedience to Him faithfully.	Kusudi la teolojia si la kitaaluma tu. Si kukusanya taarifa tu wala kuyafahamu mawazo ya kidini kwa ustadi. Teolojia imetolewa ili tumjue Mungu kwa kweli, tumtumaini kikamilifu, na kuishi katika utii kwake kwa uaminifu.
Theology must never remain abstract. It must move from knowledge to transformation. Truth is not given only to inform the mind, but to shape the life.	Teolojia haipaswi kamwe kubaki katika mawazo matupu. Lazima itoke katika maarifa na kufikia mabadiliko. Kweli haitolewi ili kuujulisha akili tu, bali kuyaumba maisha.
The starting point of all theology is not man's search for God, but God's decision to make Himself known. If God does not reveal Himself, He cannot be known. The finite cannot reach the Infinite. Therefore, if God is to be known, He must speak.	Mahali pa kuanzia pa teolojia yote si utafutaji wa mwanadamu kumtafuta Mungu, bali uamuzi wa Mungu wa kujitambulisha. Mungu asipojifunua, hawezi kujulikana. Kilicho na kikomo hakiwezi kumfikia Asiye na kikomo. Kwa hiyo, ili Mungu ajulikane, ni lazima Yeye aseme.
"Can you search out the deep things of God? Can you find out the limits of the Almighty?" — Job 11:7	"Je! Wewe waweza kuyachunguza mambo ya Mungu yaliyo ya siri? Au kumfikia Mwenyezi kwa ukamilifu?" — Ayubu 11:7
Several primary sources of religious belief are often identified:	Vyanzo kadhaa vikuu vya imani ya kidini hutajwa mara nyingi:
Tradition — teachings passed through generations.	**Mapokeo** — mafundisho yanayopitishwa kutoka kizazi hadi kizazi.
Human Reason — the logical exploration of faith.	**Akili ya Mwanadamu** — uchunguzi wa kimantiki wa imani.
Existential Encounter — transformative personal experiences. One interesting phenomenon is the large number of Moslems converting after an appearance of Christ to them.	**Uzoefu wa Kibinafsi wa Kuishi** — matukio ya kibinafsi yanayobadilisha maisha. Jambo moja la kuvutia ni idadi kubwa ya Waislamu wanaobadili dini baada ya Kristo kuwatokea.
The Bible — the foundational source of divine revelation.	**Biblia** — chanzo cha msingi cha ufunuo wa Mungu.
These all influence religious belief, but for Christian theology the Bible stands as the final written authority.	Vyote hivi huathiri imani ya kidini, lakini kwa teolojia ya Kikristo Biblia ndiyo mamlaka ya mwisho ya kimaandishi.
The Word of God	Neno la Mungu
In the Bible, the revelation of God is called the Word of God.	Katika Biblia, ufunuo wa Mungu huitwa Neno la Mungu.

"In the beginning was the Word, and the Word was with God, and the Word was God." — John 1:1	"Hapo mwanzo kulikuwako Neno, naye Neno alikuwako kwa Mungu, naye Neno alikuwa Mungu." — Yohana 1:1
"And the Word became flesh and dwelt among us." — John 1:14	"Naye Neno alifanyika mwili, akakaa kwetu." — Yohana 1:14
A word is both a means of communication and an expression of thought. If we want to know what God is like, we must know His Word, because it expresses His mind.	Neno ni njia ya mawasiliano na pia ni kielelezo cha fikira. Tukitaka kujua Mungu ni mwenye tabia gani, lazima tulijue Neno lake, kwa maana linaonyesha nia yake.
The Word of God is expressed in several ways:	Neno la Mungu hujidhihirisha kwa njia kadhaa:
The Living Word — Jesus Christ.	**Neno Hai** — Yesu Kristo.
The Preached or Prophetic Word — the proclamation of God's truth.	**Neno Lililohubiriwa au la Kinabii** — kutangaza kweli ya Mungu.
The Natural Word — God's revelation through creation.	**Neno la Asili** — ufunuo wa Mungu kupitia uumbaji.
The Written Word — the Bible.	**Neno Lililoandikwa** — Biblia.
The Enacted Word — Baptism and the Lord's Supper.	**Neno Lililotendeka** — Ubatizo na Meza ya Bwana (Karamu ya Bwana).
God does not desire to remain hidden. The better we know Him, the deeper the relationship we may have with Him.	Mungu hapendi kubaki amejificha. Kadiri tunavyomjua vizuri, ndivyo uhusiano wetu naye unavyoweza kuwa wa kina zaidi.
Methods of Revelation	Njia za Ufunuo
God has spoken in many ways.	Mungu amenena kwa njia nyingi.
Through nature: "Since what may be known about God is plain to them, because God has made it plain to them" (Romans 1:19).	**Kupitia asili:** "Kwa maana yale yanayoweza kujulikana katika Mungu ni dhahiri ndani yao; kwa kuwa Mungu aliwadhihirishia" (Warumi 1:19).
Through prophets: "In the past God spoke to our ancestors through the prophets at many times and in various ways" (Hebrews 1:1).	**Kupitia manabii:** "Mungu, hapo zamani za kale, aliyasema na baba zetu katika manabii, mara nyingi na kwa njia nyingi" (Waebrania 1:1).
Through His Son: Jesus Christ is the final and most complete revelation of God Himself. If you want to know what God is like, you must look at Jesus.	**Kupitia Mwanawe:** Yesu Kristo ndiye ufunuo wa mwisho na kamili zaidi wa Mungu mwenyewe. Ukitaka kujua Mungu ni mwenye tabia gani, lazima umtazame Yesu.
"He who has seen Me has seen the Father." — John 14:9	"Aliyeniona mimi amemwona Baba." — Yohana 14:9
Through Scripture: 2 Timothy 3:16–17 — "All Scripture is God-breathed." 2 Peter 1:21 — "Men were moved by the Holy Spirit." Hebrews 4:12 — "The word of God is living and powerful." Psalm 119:105 — "Your word is a lamp to my feet and a light to my path."	**Kupitia Maandiko:** 2 Timotheo 3:16–17 — "Maandiko yote yamevuviwa na Mungu." 2 Petro 1:21 — "Watu waliongozwa na Roho Mtakatifu." Waebrania 4:12 — "Neno la Mungu li hai, tena lina nguvu." Zaburi 119:105 — "Neno lako ni taa ya miguu yangu, na mwanga wa njia yangu."
Through experience: Romans 2:14–15 teaches that conscience bears witness to the law written on the heart.	**Kupitia uzoefu:** Warumi 2:14–15 inafundisha kwamba dhamiri hushuhudia sheria iliyoandikwa moyoni.

These are not competing revelations, but unified expressions of one divine voice.	Hivi si vifunuo vinavyopingana, bali ni maonyesho yanayopatana ya sauti moja ya Mungu.
General and Special Revelation	Ufunuo wa Jumla na Ufunuo Maalum
General revelation is God's self-disclosure through nature, history, and conscience. It is available to all people.	Ufunuo wa jumla ni kujidhihirisha kwa Mungu kupitia asili, historia, na dhamiri. Unapatikana kwa watu wote.
It reveals: God exists, God is powerful, man is accountable. It does not save.	Unaonyesha kwamba: Mungu yupo, Mungu ana nguvu, mwanadamu ana wajibu wa kujibu. Hauokoi.
Even moral truth appears in limited form through general revelation. What later came to be called the Golden Rule appeared in earlier cultures in negative form: "Do not do to others what you would not want done to you."	Hata kweli ya kimaadili inaonekana kwa kiasi kidogo kupitia ufunuo wa jumla. Kile ambacho baadaye kiliitwa Kanuni ya Dhahabu kilionekana katika tamaduni za awali kwa umbo la kukataza: "Usiwatendee wengine mambo ambayo hungependa kutendewa wewe."
Christ gave the fuller and positive expression: Matthew 7:12 — "Therefore, whatever you want men to do to you, do also to them."	Kristo alitoa maelezo kamili zaidi na ya kuagiza: Mathayo 7:12 — "Basi mambo yo yote mnayotaka watu wawatendee ninyi, nanyi watendeeni vivyo hivyo."
General revelation gives awareness. It does not provide the way of salvation.	Ufunuo wa jumla hutupa ufahamu. Haitoi njia ya wokovu.
Because general revelation cannot save, God has given special revelation.	Kwa sababu ufunuo wa jumla hauwezi kuokoa, Mungu ametoa ufunuo maalum.
Special Revelation is God's direct, historical, and redemptive disclosure of Himself. It is found in: the history of Israel, the person and work of Jesus Christ, and the Bible.	Ufunuo Maalum ni kujidhihirisha kwa Mungu kwa moja kwa moja, kihistoria, na kwa ukombozi. Unapatikana katika: historia ya Israeli, nafsi na kazi ya Yesu Kristo, na Biblia.
Special revelation is progressive. It unfolds through history, moving from early glimpses in Genesis to the fullness of truth in Christ and the New Testament.	Ufunuo maalum unaendelea hatua kwa hatua. Hujidhihirisha katika historia, kuanzia vionjo vya mwanzo katika Mwanzo hadi utimilifu wa kweli katika Kristo na Agano Jipya.
Theories of Inspiration	Nadharia za Uvuvio
Scripture is God-breathed, carried along by the Holy Spirit, and profitable for doctrine, reproof, correction, and righteousness.	Maandiko yamevuviwa na Mungu, yameongozwa na Roho Mtakatifu, na yanafaa kwa mafundisho, kuonya, kurekebisha, na kuongoza katika haki.
"Knowing this first, that no prophecy of Scripture is of any private interpretation, for prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit." — 2 Peter 1:20-21	"Na zaidi ya yote tujue neno hili, ya kwamba hakuna unabii wa Maandiko ulio wa tafsiri ya mtu yeyote mwenyewe. Maana unabii haukuletwa wakati wo wote kwa mapenzi ya mwanadamu; bali watu walinena yaliyotoka kwa Mungu, wakiongozwa na Roho Mtakatifu." — 2 Petro 1:20-21
Dictation Theory — God dictated Scripture word for word.	**Nadharia ya Kuandikisha** — Mungu aliandikisha Maandiko neno kwa neno.
Natural Theory — the writers were inspired like other literary geniuses.	**Nadharia ya Kiasili** — waandishi walivuviwa kama wasomi wengine wenye vipaji vikubwa vya uandishi.

Partial Theory — only certain parts of Scripture are inspired.	**Nadharia ya Sehemu** — ni sehemu fulani tu za Maandiko zilizovuviwa.
Dynamic Theory — divine guidance worked through human personality and freedom.	**Nadharia ya Kinguvu** — uongozi wa Mungu ulifanya kazi kupitia haiba na uhuru wa mwanadamu.
Plenary Inspiration — all parts of Scripture are fully inspired.	**Uvuvio Kamili** — sehemu zote za Maandiko zimevuviwa kikamilifu.
Verbal Inspiration — the very words of Scripture are inspired.	**Uvuvio wa Maneno** — maneno yenyewe ya Maandiko yamevuviwa.
The process may be debated. The result is clear: Scripture is from God.	Mchakato unaweza kujadiliwa. Matokeo ni wazi: Maandiko yanatoka kwa Mungu.
💡 **The Hotel Room:** A pastor once checked into a hotel at night. Under a dim lamp, the room looked clean. But when sunlight filled the room the next morning, stains, dust, and crumbs became visible. He reflected, "The room didn't change—only the light did." God's holiness reveals what artificial light hides.	💡 **Chumba cha Hoteli:** Mchungaji mmoja aliwahi kufika hotelini usiku. Chini ya taa hafifu, chumba kilionekana safi. Lakini mwanga wa jua ulipoujaza chumba asubuhi iliyofuata, madoa, vumbi, na makombo vilianza kuonekana. Alitafakari, "Chumba hakikubadilika—mwanga tu ndio uliobadilika." Utakatifu wa Mungu hufunua kile ambacho mwanga wa bandia hukificha.
Affirming Absolute Authority	Kuthibitisha Mamlaka Kamili
When discussing the nature of the Bible, we often encounter terms like "inerrancy" or "infallibility." While these terms have historical value, they are often framed as negatives—stating what the Bible is *not* (not errant, not fallible). A much more robust and functional term for the believer is **Absolute Authority**.	Tunapojadili hali ya Biblia, mara nyingi tunakutana na maneno kama "kutokuwa na makosa" (inerrancy) au "kutokosea" (infallibility). Ingawa maneno haya yana thamani ya kihistoria, mara nyingi hutolewa kwa namna hasi—yakisema kile ambacho Biblia *si* (haina makosa, haikosei). Neno lenye nguvu zaidi na linalofaa zaidi kwa muumini ni **Mamlaka Kamili**.
The term **Absolute Authority** focuses on a positive affirmation. It affirms what we *are* as people of faith and what we *believe* as a community under the Word. It moves the conversation from technical debates about the mechanics of the text to the practical reality of our relationship with God. To say the Bible has absolute authority is to declare that it is the final, supreme standard for all faith and practice.	Neno **Mamlaka Kamili** linajikita katika uthibitisho chanya. Linathibitisha kile ambacho *sisi* ni kama watu wa imani na kile tunachokiamini *kwa pamoja* kama jumuiya iliyo chini ya Neno. Linahamisha mjadala kutoka mabishano ya kitaalamu kuhusu mambo ya kiufundi ya maandishi hadi uhalisia wa vitendo wa uhusiano wetu na Mungu. Kusema Biblia ina mamlaka kamili ni kutangaza kwamba ndicho kipimo cha mwisho na kikuu kwa imani yote na mwenendo wote.
This is a vital distinction. When we emphasize "not errant," we are often defending a document. When we emphasize "Absolute Authority," we are affirming a lifestyle and a submission to the King. It means the Bible is the benchmark by which all other claims of truth are measured. We do not stand in judgment of the Word; the Word stands in judgment of us. It provides the "Absolute" ground upon which we build our lives, our ministries, and our hope for eternity.	Huu ni utofautishaji muhimu. Tunaposisitiza "haina makosa," mara nyingi tunatetea hati. Tunaposisitiza "Mamlaka Kamili," tunathibitisha mtindo wa maisha na kujisalimisha kwa Mfalme. Maana yake ni kwamba Biblia ndiyo kipimo ambacho madai mengine yote ya ukweli hupimwa kwacho. Sisi hatulihukumu Neno; Neno ndilo linalotuhukumu sisi. Linatoa msingi "Kamili" ambao juu yake tunajenga maisha yetu, huduma zetu, na tumaini letu la milele.
Transmission, Illumination, and Preservation	Usambazaji, Uangaziaji, na Uhifadhi

God revealed, inspired, and preserved His Word. Transmission includes: canonization, manuscript copying, translation, and preservation for every generation.	Mungu alifunua, alivuvia, na alihifadhi Neno lake. Usambazaji unajumuisha: kuthibitishwa kwa kanuni ya Maandiko, kunakili hati-mkono, kutafsiri, na kuhifadhi kwa kila kizazi.
The canon includes 39 Old Testament books and 27 New Testament books. The Old Testament was recognized by the Jewish community long before the time of Christ; the later "Council of Jamnia" (c. AD 90), once widely cited as the moment the canon closed, is now understood to be a modern scholarly reconstruction rather than an actual council that decided the canon — the books were already received as Scripture. The New Testament was recognized by the church. Councils confirmed what believers already accepted as inspired; they did not create the canon.	Kanuni ya Maandiko ina vitabu 39 vya Agano la Kale na vitabu 27 vya Agano Jipya. Agano la Kale lilitambuliwa na jumuiya ya Kiyahudi muda mrefu kabla ya wakati wa Kristo; "Baraza la Yamnia" la baadaye (takriban 90 B.K.), ambalo kwa muda mrefu lilitajwa sana kama wakati kanuni ilipofungwa, sasa linaeleweka kuwa ni dhana ya wasomi wa kisasa badala ya baraza halisi lililoamua kanuni — vitabu hivyo vilikuwa tayari vimekubaliwa kuwa Maandiko. Agano Jipya lilitambuliwa na kanisa. Mabaraza yalithibitisha kile ambacho waumini tayari walikuwa wamekikubali kuwa kimevuviwa; hayakuunda kanuni.
Through thousands of manuscripts and careful comparison, textual scholars have shown that the Greek New Testament we possess today reflects the original writings with a very high degree of accuracy, and no essential Christian doctrine rests on a disputed textual variant.	Kupitia maelfu ya hati-mkono na ulinganishi makini, wasomi wa maandishi wameonyesha kwamba Agano Jipya la Kigiriki tulilo nalo leo linaonyesha maandishi ya asili kwa usahihi wa hali ya juu sana, na hakuna fundisho lolote muhimu la Kikristo linalotegemea tofauti ya maandishi inayobishaniwa.
Illumination is the ongoing work of the Holy Spirit that enables the believer to understand and apply these truths. Knowledge alone is insufficient; the Spirit must open our eyes to perceive the spiritual significance of the text.	Uangaziaji ni kazi inayoendelea ya Roho Mtakatifu inayomwezesha muumini kuelewa na kutumia kweli hizi. Maarifa peke yake hayatoshi; Roho lazima atufumbue macho ili tuone maana ya kiroho ya maandishi.
"The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness, and cannot understand them because they are discerned only through the Spirit." — 1 Corinthians 2:14	"Mtu wa tabia ya asili hayapokei mambo ya Roho wa Mungu; maana ni upumbavu kwake, wala hawezi kuyajua, kwa sababu yanatambulikana kwa jinsi ya roho." — 1 Wakorintho 2:14
Inerrancy does not refer to translations. It refers specifically to the original autographs. Scripture, as originally given, is without error in all that it affirms.	Kutokuwa na makosa hakuhusu tafsiri. Kunahusu hasa hati asilia. Maandiko, kama yalivyotolewa mwanzoni, hayana kosa katika yote yanayoyathibitisha.
Practical Insights and Final Summary	Maarifa ya Vitendo na Muhtasari wa Mwisho
Examples of faith show how Scripture works in real life. Billy Graham struggled with doubts but affirmed Scripture by faith, and that conviction shaped a transformative ministry. Edwin Rushworth, a skeptic, was changed through daily Bible reading and came to accept the truth of Scripture.	Mifano ya imani inaonyesha jinsi Maandiko yanavyofanya kazi katika maisha halisi. Billy Graham alihangaika na mashaka, lakini alithibitisha Maandiko kwa imani, na msimamo huo uliunda huduma iliyobadilisha maisha ya wengi. Edwin Rushworth, mtu aliyekuwa na mashaka, alibadilishwa kupitia usomaji wa Biblia kila siku na akaikubali kweli ya Maandiko.
Authority means that God's truth is revealed rather than discovered.	**Mamlaka** maana yake ni kwamba kweli ya Mungu hufunuliwa badala ya kugunduliwa.

Inspiration means that God caused Scripture while working through human authors.	**Uvuvio** maana yake ni kwamba Mungu alisababisha Maandiko huku akifanya kazi kupitia waandishi wa kibinadamu.
Illumination means that the Holy Spirit helps believers understand the Word.	**Uangaziaji** maana yake ni kwamba Roho Mtakatifu huwasaidia waumini kulielewa Neno.
Transmission means that God has preserved the Bible through canonization, copying, and translation.	**Usambazaji** maana yake ni kwamba Mungu ameihifadhi Biblia kupitia kuthibitishwa kwa kanuni, kunakili, na kutafsiri.
If God has not spoken, nothing can be known. If God has spoken, everything must be understood through that revelation.	Ikiwa Mungu hajanena, hakuna lolote linaloweza kujulikana. Ikiwa Mungu amenena, kila kitu lazima kieleweke kupitia ufunuo huo.
God has revealed Himself in creation, in history, in Scripture, and in His Son. Because He has spoken, He can be known. Because He can be known, He can be trusted. Because He can be trusted, He must be obeyed.	Mungu amejifunua katika uumbaji, katika historia, katika Maandiko, na katika Mwanawe. Kwa sababu amenena, anaweza kujulikana. Kwa sababu anaweza kujulikana, anaweza kutumainiwa. Kwa sababu anaweza kutumainiwa, ni lazima atiiwe.

Short answer

English	Kiswahili
1. Explain why God's self-disclosure is necessary for true knowledge of Him. Why can we not reach God on our own? Key ideas: finite | infinite | reveal | speak | known | starting point | initiative | search *Model answer:* The starting point of all theology is not man's search for God but God's decision to make Himself known. The reason is that the finite cannot reach the Infinite; a creature cannot climb up to the Creator by its own effort or cleverness. If God chose to remain hidden, He simply could not be known. Therefore, if God is to be known at all, He must take the initiative and speak. Knowledge of God always begins on His side, not ours, and that is why revelation is the foundation of everything else we believe.	**1. Eleza kwa nini Mungu kujidhihirisha ni lazima ili tumjue kweli. Kwa nini hatuwezi kumfikia Mungu sisi wenyewe?** Key ideas: mwenye kikomo, kilicho na kikomo, kikomo, mwanadamu mdogo | asiye na kikomo, usio na kikomo, mkuu kupita yote, hawezi kufikiwa | afunue, ufunuo, kujifunua, kujidhihirisha, anajifunua | aseme, kusema, amenena, kunena, anenapo | kujulikana, ajulikane, hawezi kujulikana, anajulikana, kumjua | mahali pa kuanzia, mwanzo wa teolojia, msingi, chanzo cha teolojia | hatua ya kwanza, kuchukua hatua, mpango wa mungu, uamuzi wa mungu, mungu kwanza | utafutaji, kutafuta, tafuta, juhudi za mwanadamu, kumtafuta mungu *Model answer:* Mahali pa kuanzia pa teolojia yote si utafutaji wa mwanadamu kumtafuta Mungu, bali uamuzi wa Mungu wa kujitambulisha. Sababu ni kwamba kilicho na kikomo hakiwezi kumfikia Asiye na kikomo; kiumbe hakiwezi kupanda hadi kwa Muumba kwa juhudi au akili yake mwenyewe. Mungu angeamua kubaki amejificha, hangeweza kabisa kujulikana. Kwa hiyo, ili Mungu ajulikane kamwe, ni lazima Yeye achukue hatua ya kwanza na aseme. Maarifa ya Mungu huanzia upande wake daima, si upande wetu, na ndiyo sababu ufunuo ni msingi wa kila kitu kingine tunachokiamini.

2. What does it mean that the Bible is the final written authority, and how does that compare with tradition, reason, and experience? Key ideas: Bible | final | authority | tradition | reason | experience | written | source *Model answer:* Several sources influence religious belief: tradition, human reason, existential encounter, and the Bible. Each one shapes what people think about God, and the course does not deny that they have real influence. But for Christian theology the Bible stands above them all as the final written authority. Tradition, reason, and experience must all be tested by Scripture, never the other way around. To say the Bible is the final authority means it is the benchmark by which every other claim of truth is measured, and we submit our thinking to it rather than judging it by our own ideas.	**2. Inamaanisha nini kusema Biblia ni mamlaka ya mwisho ya kimaandishi, na hilo linalinganaje na mapokeo, akili, na uzoefu?** Key ideas: biblia, maandiko, neno lililoandikwa, kitabu | mwisho, ya mwisho, kuu kuliko yote, la mwisho, juu ya yote | mamlaka, mwenye mamlaka, kipimo, kiwango cha juu | mapokeo, mila, desturi, yaliyopokelewa | akili, mantiki, fikira za mwanadamu, akili ya mwanadamu | uzoefu, matukio ya kibinafsi, hisia, uzoefu wa kibinafsi | kimaandishi, lililoandikwa, maandishi, kuandikwa | chanzo, vyanzo, chimbuko, msingi wa imani *Model answer:* Vyanzo kadhaa huathiri imani ya kidini: mapokeo, akili ya mwanadamu, uzoefu wa kibinafsi wa kuishi, na Biblia. Kila kimoja huunda mawazo ya watu kuhusu Mungu, na kozi haikatai kwamba vina ushawishi wa kweli. Lakini kwa teolojia ya Kikristo Biblia inasimama juu ya vyote kama mamlaka ya mwisho ya kimaandishi. Mapokeo, akili, na uzoefu vyote lazima vipimwe kwa Maandiko, si kinyume chake. Kusema Biblia ni mamlaka ya mwisho kunamaanisha kwamba ndicho kipimo ambacho kila dai lingine la ukweli hupimwa kwacho, nasi tunalinyenyekea fikira zetu badala ya kulihukumu kwa mawazo yetu wenyewe.
3. Describe the five forms in which the Word of God is expressed, and what each one means. Key ideas: living | preached | natural | written | enacted | Jesus | creation | Bible *Model answer:* In the Bible, God's revelation is called the Word of God, and it is expressed in five ways. The Living Word is Jesus Christ Himself, the Word who became flesh. The Preached or Prophetic Word is the proclamation of God's truth. The Natural Word is God's revelation through creation. The Written Word is the Bible. And the Enacted Word is seen in baptism and the Lord's Supper, where the truth is acted out. A word is both a means of communication and an expression of thought, so to know what God is like we must know His Word, because it expresses His mind.	**3. Eleza namna tano ambazo Neno la Mungu hujidhihirisha, na maana ya kila moja.** Key ideas: hai, neno hai, aliye hai, yesu kristo | lililohubiriwa, kuhubiriwa, la kinabii, kinabii, kutangaza, mahubiri | la asili, asili, neno la asili, uumbaji | lililoandikwa, kuandikwa, maandishi, biblia | lililotendeka, kutendeka, ubatizo, meza ya bwana, karamu ya bwana | yesu, yesu kristo, kristo, mwana | uumbaji, kuumba, viumbe, ulimwengu | biblia, maandiko, kitabu, neno la mungu *Model answer:* Katika Biblia, ufunuo wa Mungu huitwa Neno la Mungu, na hujidhihirisha kwa njia tano. Neno Hai ni Yesu Kristo mwenyewe, Neno aliyefanyika mwili. Neno Lililohubiriwa au la Kinabii ni kutangaza kweli ya Mungu. Neno la Asili ni ufunuo wa Mungu kupitia uumbaji. Neno Lililoandikwa ni Biblia. Na Neno Lililotendeka linaonekana katika ubatizo na Meza ya Bwana, ambapo kweli huigizwa kwa vitendo. Neno ni njia ya mawasiliano na pia kielelezo cha fikira, kwa hiyo ili kujua Mungu ni mwenye tabia gani lazima tulijue Neno lake, kwa maana linaonyesha nia yake.

4. Explain the difference between General Revelation and Special Revelation. What does each reveal, and what are the limits of General Revelation?

Key ideas: general | special | nature | conscience | salvation | creation | Christ | accountable

Model answer: General revelation is God's self-disclosure through nature, history, and conscience, and it is available to all people everywhere. It reveals that God exists, that God is powerful, and that man is accountable to Him. What it cannot do is save; it gives awareness but not the way of salvation. Because general revelation cannot save, God gave special revelation, His direct and redemptive disclosure of Himself in the history of Israel, in the person and work of Jesus Christ, and in the Bible. Special revelation is progressive, unfolding through history from early glimpses in Genesis to the fullness of truth in Christ.

4. Eleza tofauti kati ya Ufunuo wa Jumla na Ufunuo Maalum. Kila mmoja unafunua nini, na mipaka ya Ufunuo wa Jumla ni ipi?

Key ideas: jumla, ufunuo wa jumla, kwa wote, watu wote | maalum, ufunuo maalum, mahususi, wa pekee | asili, maumbile, ulimwengu wa asili, mazingira | dhamiri, moyo, dhamira, sheria moyoni | wokovu, kuokoa, njia ya wokovu, hauokoi, okoa | uumbaji, kuumba, viumbe, uumbaji wote | kristo, yesu kristo, yesu, mwana | wajibu, kuwajibika, atawajibika, ana wajibu, kuhukumiwa

Model answer: Ufunuo wa jumla ni kujidhihirisha kwa Mungu kupitia asili, historia, na dhamiri, na unapatikana kwa watu wote kila mahali. Unafunua kwamba Mungu yupo, kwamba Mungu ana nguvu, na kwamba mwanadamu ana wajibu wa kujibu mbele zake. Usichoweza kufanya ni kuokoa; hutupa ufahamu lakini si njia ya wokovu. Kwa sababu ufunuo wa jumla hauwezi kuokoa, Mungu alitoa ufunuo maalum, yaani kujidhihirisha kwake moja kwa moja na kwa ukombozi katika historia ya Israeli, katika nafsi na kazi ya Yesu Kristo, na katika Biblia. Ufunuo maalum unaendelea hatua kwa hatua, ukijidhihirisha katika historia kuanzia vionjo vya mwanzo katika Mwanzo hadi utimilifu wa kweli katika Kristo.

5. Why is Jesus Christ called the final and most complete revelation of God? What does John 14:9 add to this?

Key ideas: Jesus | final | complete | Father | seen | Son | look | God

Model answer: God has spoken in many ways, through nature, through the prophets, and through experience, but His Son is the final and most complete revelation of God Himself. If you want to know what God is like, you must look at Jesus. John 14:9 makes this direct and personal: Jesus said, "He who has seen Me has seen the Father." That means the character, heart, and will of the invisible God are made visible in Christ. The prophets spoke God's words, but the Son is God's own self stepped into our world, so He is the clearest revelation we will ever have.

5. Kwa nini Yesu Kristo anaitwa ufunuo wa mwisho na kamili zaidi wa Mungu? Yohana 14:9 inaongeza nini kwa jambo hili?

Key ideas: yesu, yesu kristo, kristo, bwana yesu | mwisho, wa mwisho, kamilisho, hatima | kamili, kamili zaidi, utimilifu, timilifu | baba, mungu baba, baba yake, kwa baba | ameona, aliyeniona, kuona, kumwona, anayemwona | mwana, mwanawe, mwana wa mungu, kristo mwana | tazama, kumtazama, angalia, kumwangalia, mtazame | mungu, mungu mwenyewe, asili ya mungu, tabia ya mungu

Model answer: Mungu amenena kwa njia nyingi, kupitia asili, kupitia manabii, na kupitia uzoefu, lakini Mwanawe ndiye ufunuo wa mwisho na kamili zaidi wa Mungu mwenyewe. Ukitaka kujua Mungu ni mwenye tabia gani, lazima umtazame Yesu. Yohana 14:9 inalifanya jambo hili kuwa la moja kwa moja na la kibinafsi: Yesu alisema, "Aliyeniona mimi amemwona Baba." Maana yake ni kwamba tabia, moyo, na mapenzi ya Mungu asiyeonekana yamefanywa yaonekane katika Kristo. Manabii walinena maneno ya Mungu, lakini Mwana ni Mungu mwenyewe aliyeingia ulimwenguni mwetu, kwa hiyo yeye ndiye ufunuo ulio wazi zaidi tutakaoupata.

6. Compare the Dictation Theory and the Dynamic Theory of inspiration. What does each say about how Scripture was written?

Key ideas: dictation | dynamic | word | guidance | personality | freedom | human | Spirit

Model answer: The Dictation Theory holds that God dictated Scripture word for word, so the human writers were essentially taking down exactly what they were told. The Dynamic Theory holds instead that divine guidance worked through the human writer's own personality and freedom, so that the result is fully God's Word and yet still reflects the style of the man who wrote it. The course notes that the exact process may be debated among these theories, but the result is clear either way: Scripture is from God. What matters most is not which theory we hold but that we confess Scripture is God-breathed and carried along by the Holy Spirit.

6. Linganisha Nadharia ya Kuandikisha na Nadharia ya Kinguvu ya uvuvio. Kila moja inasema nini kuhusu jinsi Maandiko yalivyoandikwa?

Key ideas: kuandikisha, aliandikisha, nadharia ya kuandikisha, dikteta, kuandikishwa | kinguvu, nadharia ya kinguvu, kinguvu ya uvuvio, uongozi unaofanya kazi | neno kwa neno, maneno, kila neno, neno moja moja | uongozi, kuongoza, alioongoza, maongozi, uelekezi | haiba, tabia ya mwandishi, utu, mtindo wa mwandishi | uhuru, hiari, uhuru wa mwanadamu, kujitegemea | mwanadamu, waandishi, binadamu, mwandishi wa kibinadamu, kibinadamu | roho, roho mtakatifu, roho wa mungu, kuongozwa na roho

Model answer: Nadharia ya Kuandikisha inashikilia kwamba Mungu aliandikisha Maandiko neno kwa neno, kwa hiyo waandishi wa kibinadamu kimsingi waliandika kile walichoambiwa hasa. Nadharia ya Kinguvu inashikilia badala yake kwamba uongozi wa Mungu ulifanya kazi kupitia haiba na uhuru wa mwandishi wa kibinadamu, kiasi kwamba matokeo ni Neno la Mungu kikamilifu na bado yanaonyesha mtindo wa mtu aliyeandika. Kozi inabainisha kwamba mchakato halisi unaweza kujadiliwa miongoni mwa nadharia hizi, lakini matokeo ni wazi kwa vyovyote: Maandiko yanatoka kwa Mungu. Kinachojalisha zaidi si nadharia ipi tunayoshikilia, bali kwamba tunakiri kuwa Maandiko yamevuviwa na Mungu na kuongozwa na Roho Mtakatifu.

7. What is the difference between Plenary Inspiration and Verbal Inspiration?

Key ideas: plenary | verbal | all | parts | words | inspired | Scripture | fully

Model answer: These two terms describe the extent of inspiration from two angles. Plenary Inspiration means that all parts of Scripture are fully inspired, not just the moral teachings or the doctrinal sections, but the whole. Verbal Inspiration means that the very words of Scripture, and not merely the general ideas, are inspired. Taken together they affirm that inspiration reaches both to every part of the Bible and down to its actual words. This guards against the Partial Theory, which says only certain portions are inspired, and against the idea that God gave only loose concepts and left the wording to chance.

7. Kuna tofauti gani kati ya Uvuvio Kamili na Uvuvio wa Maneno?

Key ideas: kamili, uvuvio kamili, timilifu, kikamilifu | maneno, uvuvio wa maneno, neno, maneno yenyewe | yote, zote, kila, sehemu zote | sehemu, vipengele, mafungu, sehemu za maandiko | maneno yenyewe, neno kwa neno, wa maneno, maneno halisi | yamevuviwa, umevuviwa, uvuvio, kuvuviwa | maandiko, biblia, andiko, neno la mungu | kikamilifu, kabisa, bila kasoro, kwa ukamilifu

Model answer: Maneno haya mawili yanaeleza ukubwa wa uvuvio kutoka pande mbili. Uvuvio Kamili unamaanisha kwamba sehemu zote za Maandiko zimevuviwa kikamilifu, si mafundisho ya kimaadili tu wala sehemu za kimafundisho tu, bali yote kwa ujumla. Uvuvio wa Maneno unamaanisha kwamba maneno yenyewe ya Maandiko, na si mawazo ya jumla tu, yamevuviwa. Yakichukuliwa pamoja yanathibitisha kwamba uvuvio unafikia kila sehemu ya Biblia na pia maneno yake halisi. Hii inalinda dhidi ya Nadharia ya Sehemu, inayosema ni sehemu fulani tu zilizovuviwa, na dhidi ya wazo kwamba Mungu alitoa dhana pana tu na kuacha uchaguzi wa maneno kwa bahati.

8. Why does this course prefer the term "Absolute Authority" over "inerrancy" or "infallibility"?

Key ideas: absolute | authority | positive | affirmation | submission | negative | standard | practice

Model answer: Terms like inerrancy and infallibility have historical value, but they are framed as negatives, telling us what the Bible is not: not errant, not fallible. Absolute Authority is preferred because it is a positive affirmation of what we believe and how we live. It moves the conversation away from technical debates about the mechanics of the text and toward the practical reality of submission to God's Word. To say the Bible has absolute authority is to declare that it is the final, supreme standard for all faith and practice. We do not stand in judgment of the Word; the Word stands in judgment of us.

8. Kwa nini kozi hii inapendelea neno "Mamlaka Kamili" kuliko "kutokuwa na makosa" au "kutokosea"?

Key ideas: kamili, mamlaka kamili, absolute, kikamilifu | mamlaka, mwenye mamlaka, utawala, ukuu | chanya, uthibitisho chanya, kuthibitisha, nzuri | uthibitisho, kuthibitisha, kauli ya imani, tamko | kujisalimisha, kunyenyekea, utii, kunyenyekea kwa neno | hasi, vikanusho, kukanusha, inavyokanusha, kauli hasi | kipimo, kiwango, kiwango kikuu, kipimo cha mwisho | mwenendo, vitendo, imani na mwenendo, maisha, kuishi

Model answer: Maneno kama kutokuwa na makosa (inerrancy) na kutokosea (infallibility) yana thamani ya kihistoria, lakini yametolewa kwa namna hasi, yakituambia kile ambacho Biblia si: haina makosa, haikosei. Mamlaka Kamili yanapendelewa kwa sababu ni uthibitisho chanya wa kile tunachoamini na jinsi tunavyoishi. Yanaondoa mjadala kutoka mabishano ya kitaalamu kuhusu mambo ya kiufundi ya maandishi na kuupeleka kwenye uhalisia wa vitendo wa kujisalimisha kwa Neno la Mungu. Kusema Biblia ina mamlaka kamili ni kutangaza kwamba ndicho kipimo cha mwisho na kikuu kwa imani yote na mwenendo wote. Sisi hatulihukumu Neno; Neno ndilo linalotuhukumu sisi.

9. Explain how Illumination differs from Inspiration. Who works each, and what is accomplished?

Key ideas: illumination | inspiration | Spirit | understand | wrote | believer | ongoing | Scripture

Model answer: Inspiration and illumination are both works of the Holy Spirit, but they are not the same. Inspiration was the Spirit's work in causing Scripture to be written: holy men of God spoke as they were moved by the Holy Spirit, so the text itself is God-breathed. Illumination is the Spirit's ongoing work that enables the believer to understand and apply what was written. Knowledge alone is insufficient, because the person without the Spirit cannot grasp the things of God; the Spirit must open our eyes to perceive the spiritual significance of the text. So inspiration gave us the Word once for all, and illumination opens that Word to each reader.

9. Eleza jinsi Uangaziaji unavyotofautiana na Uvuvio. Nani hufanya kila kimoja, na nini kinatimizwa?

Key ideas: uangaziaji, kuangazia, uangazio, kuangaziwa, mwangaza | uvuvio, kuvuvia, kuvuviwa, yamevuviwa | roho, roho mtakatifu, roho wa mungu, kazi ya roho | kuelewa, uelewa, kufahamu, ufahamu, kutambua | kuandikwa, aliandikwa, waliandika, kuandika, andikwa | muumini, waumini, msomaji, mtu aliyeamini | inayoendelea, unaoendelea, daima, kila mara, kazi inayoendelea | maandiko, biblia, neno, andiko

Model answer: Uvuvio na uangaziaji vyote ni kazi za Roho Mtakatifu, lakini si kitu kimoja. Uvuvio ulikuwa kazi ya Roho ya kusababisha Maandiko yaandikwe: watu watakatifu wa Mungu walinena wakiongozwa na Roho Mtakatifu, kwa hiyo maandishi yenyewe yamevuviwa na Mungu. Uangaziaji ni kazi inayoendelea ya Roho inayomwezesha muumini kuelewa na kutumia kile kilichoandikwa. Maarifa peke yake hayatoshi, kwa sababu mtu asiye na Roho hawezi kuyatambua mambo ya Mungu; Roho lazima atufumbue macho ili tuone maana ya kiroho ya maandishi. Kwa hiyo uvuvio ulitupa Neno mara moja kwa wakati wote, na uangaziaji hulifungua Neno hilo kwa kila msomaji.

10. Summarize the main point of Unit 1. Why does revelation matter for the Christian life?

Key ideas: spoken | known | trusted | obeyed | revelation | creation | Son | transformation

Model answer: The whole unit turns on one truth: God has spoken. If God had not spoken, nothing could be known of Him; but because He has spoken, everything must be understood in the light of that revelation. God has revealed Himself in creation, in history, in Scripture, and supremely in His Son. The unit ties this into a chain for the Christian life: because He has spoken, He can be known; because He can be known, He can be trusted; and because He can be trusted, He must be obeyed. So revelation is never merely academic. Theology must move from knowledge to transformation, shaping the life and not only informing the mind.

10. Fupisha hoja kuu ya Sehemu ya 1. Kwa nini ufunuo ni muhimu kwa maisha ya Mkristo?

Key ideas: amenena, alinena, kunena, amesema, kasema | kujulikana, anaweza kujulikana, ajulikane, kumjua | kutumainiwa, kumtumaini, anaweza kutumainiwa, tumaini, imani | kutiiwa, utii, kutii, lazima atiiwe, kumtii | ufunuo, kujifunua, kujidhihirisha, amejifunua | uumbaji, kuumba, viumbe, ulimwengu | mwana, mwanawe, yesu kristo, kristo | mabadiliko, kubadilika, kuyaumba maisha, kubadilisha maisha, maisha

Model answer: Sehemu nzima inasimama juu ya kweli moja: Mungu amenena. Mungu asingenena, hakuna lolote lingeweza kujulikana juu yake; lakini kwa kuwa amenena, kila kitu lazima kieleweke kwa mwanga wa ufunuo huo. Mungu amejifunua katika uumbaji, katika historia, katika Maandiko, na zaidi ya yote katika Mwanawe. Sehemu inaunganisha haya kuwa mnyororo kwa maisha ya Mkristo: kwa sababu amenena, anaweza kujulikana; kwa sababu anaweza kujulikana, anaweza kutumainiwa; na kwa sababu anaweza kutumainiwa, ni lazima atiiwe. Kwa hiyo ufunuo si wa kitaaluma tu. Teolojia lazima itoke katika maarifa na kufikia mabadiliko, ikiyaumba maisha na si kuujulisha akili tu.

God Is — The Question Behind Every Question	Mungu Yupo — Swali Lililo Nyuma ya Kila Swali
Open any Bible, anywhere, and watch what God refuses to do. He does not argue for His existence. He does not file a logical proof in chapter one. He simply begins: "In the beginning God created" (Genesis 1:1). Theology proper — the doctrine of God — starts where Scripture starts. Not with a court case but with a confession. The God of the Bible is, has always been, and never will not be. The question is not whether you believe in Him; the question is what you do once you discover He believes you exist.	Fungua Biblia yoyote, mahali popote, uone jambo ambalo Mungu anakataa kulifanya. Hajitetei kuthibitisha kwamba yupo. Hawasilishi hoja ya kimantiki katika sura ya kwanza. Anaanza tu: "Hapo mwanzo Mungu aliumba" (Mwanzo 1:1). Fundisho kuhusu Mungu mwenyewe huanzia pale Maandiko yanapoanzia. Si kwa kesi mahakamani, bali kwa ungamo. Mungu wa Biblia yupo, amekuwepo siku zote, na hatakoma kuwepo kamwe. Swali si kama wewe unamwamini; swali ni utafanya nini utakapogundua kwamba yeye anaamini kuwa wewe upo.
When Moses asks God for a name to carry back to Egypt, the answer is shocking. "I AM WHO I AM" (Exodus 3:14). That is not a name in the way Pharaoh would understand a name. It is a refusal to be defined by anything outside Himself. Every other being in the universe is contingent — leaves depend on trees, trees depend on soil, soil depends on a planet, the planet depends on a star. Trace the chain back and you discover that everything that exists is borrowed. Everything except One. He is the great Uncaused Cause, the necessary being on whom all other being depends. Theologians call this *aseity* — God's life from Himself. It is the foundation of every other thing we will say about Him.	Musa alipomwomba Mungu jina la kulibeba kurudi Misri, jibu lilikuwa la kushangaza. "MIMI NIKO AMBAYE NIKO" (Kutoka 3:14). Hilo si jina kama Farao alivyoelewa majina. Ni kukataa kufafanuliwa na kitu chochote nje yake mwenyewe. Kila kiumbe kingine katika ulimwengu kinategemea kingine — majani hutegemea miti, miti hutegemea udongo, udongo hutegemea sayari, sayari hutegemea nyota. Fuatilia mnyororo huo hadi mwanzo, nawe utagundua kwamba kila kilichopo kimekopwa. Isipokuwa Mmoja. Yeye ndiye Chanzo Kikuu kisicho na chanzo, Mwenye Kuwapo kwa lazima ambaye kila uhai mwingine unamtegemea. Wanateolojia huliita hili *aseity* — uhai wa Mungu unaotoka kwake mwenyewe. Ndiyo msingi wa kila jambo jingine tutakalosema kumhusu.

And here is the twist. The same God who needs nothing from you wants you anyway. Aseity is not a cold doctrine. It is the reason the cross is grace. God did not save you because He was lonely. He saved you because He chose to.	Na hapa kuna jambo la kushangaza. Mungu yuleyule asiyehitaji chochote kutoka kwako anakutaka hata hivyo. Aseity si fundisho baridi. Ndiyo sababu msalaba ni neema. Mungu hakukuokoa kwa sababu alikuwa mpweke. Alikuokoa kwa sababu alichagua kufanya hivyo.
The Incommunicable Attributes	Sifa Zisizoshirikika
Some of God's qualities are His alone. He does not share them; He cannot share them; the moment you tried to imitate them, you would be claiming to be God. We call these the *incommunicable* attributes.	Baadhi ya sifa za Mungu ni zake peke yake. Hazishiriki; hawezi kuzishiriki; mara tu ungejaribu kuziiga, ungekuwa unadai kuwa Mungu. Tunaziita sifa *zisizoshirikika* (incommunicable).
He is **eternal** — without beginning, without end. "From everlasting to everlasting You are God" (Psalm 90:2). Your story begins at a hospital. His does not begin.	Yeye ni **wa milele** — hana mwanzo, hana mwisho. "Toka milele hata milele ndiwe Mungu" (Zaburi 90:2). Hadithi yako huanzia hospitalini. Yake haina mwanzo.
He is **immutable** — He does not change. Not in essence, not in character, not in promises. "I am the LORD, I do not change" (Malachi 3:6). The God who comforted Hannah in 1 Samuel is the same God who comforts you tonight, and not by an inch is He different.	Yeye ni **asiyebadilika** — habadiliki. Si katika asili, si katika tabia, si katika ahadi. "Mimi, BWANA, sibadiliki" (Malaki 3:6). Mungu yuleyule aliyemfariji Hana katika 1 Samweli ndiye anayekufariji wewe usiku huu, wala hatofautiani hata kidogo.
He is **omnipresent** — wholly present everywhere. David asks the question and despairs of finding an escape: "Where can I go from Your Spirit?" (Psalm 139:7). The honest answer is: nowhere. The hospital room, the prison cell, the empty house, the airplane at 35,000 feet — He is fully there.	Yeye ni **aliye kila mahali** — yupo kikamilifu kila mahali. Daudi anauliza swali na kukata tamaa ya kupata mahali pa kukimbilia: "Niende wapi tokea roho yako?" (Zaburi 139:7). Jibu la kweli ni: popote. Chumba cha hospitali, seli ya gereza, nyumba tupu, ndege iliyo futi 35,000 angani — yupo hapo kikamilifu.
More Incommunicable Attributes	Sifa Nyingine Zisizoshirikika
He is **omniscient** — knowing all things, actual and possible, past, present, and future. He does not learn. He does not guess. "All things are naked and open to the eyes of Him to whom we must give account" (Hebrews 4:13). You have never had a thought God did not anticipate.	Yeye ni **mjuzi wa yote** — anajua vitu vyote, vilivyopo na vinavyowezekana, vya zamani, vya sasa, na vya wakati ujao. Hajifunzi. Hakisii. "Vitu vyote i wazi na kufunuliwa machoni pake yeye ambaye ndiye tunayepaswa kutoa hesabu kwake" (Waebrania 4:13). Hujawahi kuwa na wazo ambalo Mungu hakulitarajia.
He is **omnipotent** — He can do all things consistent with His nature. He cannot lie because He is truth; that is not a limitation but a perfection. He spoke galaxies into being and is more than able to handle the situation that has you awake at three in the morning.	Yeye ni **mwenyezi** — anaweza kufanya mambo yote yanayopatana na asili yake. Hawezi kusema uongo kwa sababu yeye ni kweli; hicho si upungufu bali ni ukamilifu. Alisema akaumba falme za nyota, na anaweza kabisa kulishughulikia jambo linalokukesha saa tisa usiku.
He is **sovereign**. Daniel learned it the hard way watching Babylon rise and fall: "He does according to His will in the army of heaven and among the inhabitants of the earth" (Daniel 4:35). Sovereignty is not God shoving people around; it is God ruling, ordering, and overruling so that His purpose stands.	Yeye ni **mwenye enzi**. Danieli alijifunza hilo kwa njia ngumu akitazama Babeli ikiinuka na kuanguka: "Hufanya apendavyo katika jeshi la mbinguni, na kati ya wakaao duniani" (Danieli 4:35). Enzi ya Mungu si kuwasukuma watu huku na huko; ni Mungu kutawala, kupanga, na kugeuza mambo ili kusudi lake lisimame.

The Communicable Attributes	Sifa Zinazoshirikika
Other qualities of God are shared in measure with His image-bearers. We will never be infinite, but we can be truthful. We will never be omnipotent, but we can be holy. These are the *communicable* attributes.	Sifa nyingine za Mungu hushirikiwa kwa kiasi na wale waliobeba sura yake. Hatutakuwa wasio na mipaka kamwe, lakini tunaweza kuwa wakweli. Hatutakuwa wenyezi kamwe, lakini tunaweza kuwa watakatifu. Hizi ni sifa *zinazoshirikika* (communicable).
He is **holy** — set apart, pure, morally perfect. Isaiah hears it in the throne room: "Holy, Holy, Holy is the LORD of hosts" (Isaiah 6:3). Triple holiness. The Hebrew language has no superlative form, so when something needs to be elevated to the maximum degree, the word is repeated. "Holy, holy" would be the most holy. "Holy, holy, holy" is the language of an angel running out of vocabulary.	Yeye ni **mtakatifu** — ametengwa, safi, mkamilifu kimaadili. Isaya anaisikia katika chumba cha kiti cha enzi: "Mtakatifu, Mtakatifu, Mtakatifu, BWANA wa majeshi" (Isaya 6:3). Utakatifu mara tatu. Lugha ya Kiebrania haina umbo la ngazi ya juu kabisa, kwa hiyo kitu kinapohitaji kuinuliwa hadi kiwango cha juu zaidi, neno hurudiwa. "Mtakatifu, mtakatifu" ingemaanisha mtakatifu zaidi. "Mtakatifu, mtakatifu, mtakatifu" ni lugha ya malaika aliyeishiwa maneno.
He is **righteous** — always doing what is right, by His own perfect standard. He is **just** — rendering to every party exactly what is due. "Shall not the Judge of all the earth do right?" (Genesis 18:25).	Yeye ni **mwenye haki** — hutenda yaliyo sawa daima, kwa kipimo chake kamilifu mwenyewe. Yeye ni **mwadilifu** — humpa kila upande hasa kile kinachomstahili. "Mwamuzi wa dunia yote asitende haki?" (Mwanzo 18:25).
He is **love**. "He who does not love does not know God, for God is love" (1 John 4:8). The text does not say God has love or shows love. God *is* love. Before there was a creation to love, the Father loved the Son, the Son loved the Father, and the Spirit was the love between them. Love did not begin at the manger. The manger is what love does.	Yeye ni **upendo**. "Yeye asiyependa hakumjua Mungu; kwa maana Mungu ndiye upendo" (1 Yohana 4:8). Andiko halisemi kwamba Mungu ana upendo au huonyesha upendo. Mungu *ndiye* upendo. Kabla ya kuwepo uumbaji wa kupendwa, Baba alimpenda Mwana, Mwana alimpenda Baba, na Roho alikuwa upendo kati yao. Upendo haukuanza kwenye hori la ng'ombe. Hori ni kile ambacho upendo hufanya.
He is **merciful** — slow to anger and ready to forgive. He is **gracious** — giving good gifts to those who have not earned them. The single thing keeping you out of hell tonight is grace, and grace is not a thing. Grace is who God is. He is **faithful**. He keeps His word. Across the longest pause in your prayer life, He is still keeping it.	Yeye ni **mwenye rehema** — si mwepesi wa hasira na yu tayari kusamehe. Yeye ni **mwenye neema** — hutoa zawadi njema kwa wale ambao hawajazistahili. Kitu pekee kinachokuzuia usiende jehanamu usiku huu ni neema, na neema si kitu. Neema ndiye Mungu alivyo. Yeye ni **mwaminifu**. Hulishika neno lake. Katika kipindi kirefu zaidi cha ukimya wa maombi yako, bado analishika.
One God in Three Persons	Mungu Mmoja katika Nafsi Tatu
Now we turn the corner into the most stretching doctrine in the Bible. The Shema of Israel is unambiguous: "Hear, O Israel: The LORD our God, the LORD is one!" (Deuteronomy 6:4). One God. Not three gods. Not one God with three masks. One God.	Sasa tunageukia fundisho linalonyoosha akili kuliko yote katika Biblia. Shema ya Israeli iko wazi bila shaka: "Sikia, Ee Israeli: BWANA Mungu wetu, BWANA ndiye mmoja!" (Kumbukumbu la Torati 6:4). Mungu mmoja. Si miungu watatu. Si Mungu mmoja mwenye vinyago vitatu. Mungu mmoja.

And yet — when Jesus is baptized, the Son stands in the water, the Spirit descends like a dove, and the Father speaks from heaven (Matthew 3:16-17). Three persons, simultaneously, in three distinct actions. At the Great Commission Jesus baptizes "in the name" — singular — "of the Father and of the Son and of the Holy Spirit" (Matthew 28:19). One name, three persons.	Na hata hivyo — Yesu anapobatizwa, Mwana anasimama majini, Roho anashuka kama hua, na Baba anasema kutoka mbinguni (Mathayo 3:16-17). Nafsi tatu, kwa wakati mmoja, katika matendo matatu tofauti. Katika Agizo Kuu Yesu anaagiza kubatiza "kwa jina" — umoja — "la Baba, na Mwana, na Roho Mtakatifu" (Mathayo 28:19). Jina moja, nafsi tatu.
The Trinity is the answer. One God, three persons, one in essence, distinct in person. The Father is not the Son. The Son is not the Spirit. The Spirit is not the Father. And yet each is fully God, not one-third God. This is not a contradiction; it is a mystery, and the difference matters. A contradiction violates logic. A mystery exceeds it.	Utatu ndilo jibu. Mungu mmoja, nafsi tatu, mmoja katika asili, tofauti katika nafsi. Baba si Mwana. Mwana si Roho. Roho si Baba. Na hata hivyo kila mmoja ni Mungu kamili, si theluthi moja ya Mungu. Hili si mgongano; ni fumbo, na tofauti hiyo ni muhimu. Mgongano huvunja mantiki. Fumbo huipita.
Why does this matter for you on a Tuesday afternoon? Because every relationship you long for has its origin in the Trinity. God did not create because He was bored or short on company. The persons of the Godhead loved one another perfectly before time began. When He saves you, He is not granting you a contract; He is bringing you into a family that has been celebrating long before you arrived.	Kwa nini hili linakuhusu wewe siku ya Jumanne alasiri? Kwa sababu kila uhusiano unaoutamani asili yake ni katika Utatu. Mungu hakuumba kwa sababu alikuwa amechoka au hakuwa na wenzake. Nafsi za Uungu zilipendana kikamilifu kabla ya wakati kuanza. Anapokuokoa, hakupi mkataba; anakuleta katika familia ambayo imekuwa ikisherehekea muda mrefu kabla hujafika.
The God Who Decrees and Rules	Mungu Anayeazimia na Kutawala
God's decree is His eternal plan — comprehensive, wise, free, and certain. Ephesians 1:11 says He "works all things according to the counsel of His will." All things. Not most things. Not the easy things.	Azimio la Mungu ni mpango wake wa milele — kamili, wa hekima, huru, na wa hakika. Waefeso 1:11 inasema yeye "hufanya kazi zote kwa shauri la mapenzi yake." Mambo yote. Si mengi tu. Si mepesi tu.
Hold that next to human responsibility. Acts 2:23 says Jesus was delivered up "by the determined purpose and foreknowledge of God" and that "lawless hands" crucified Him. One sentence. Both truths. God ordained the cross. Men freely committed the cross. Both are true. Both are taught. Neither is canceled by the other.	Weka hilo kando ya wajibu wa mwanadamu. Matendo 2:23 inasema Yesu alitolewa "kwa shauri lake Mungu lililokusudiwa, na kwa kujua kwake tangu zamani" na kwamba "mikono ya watu wasio na sheria" ilimsulibisha. Sentensi moja. Kweli zote mbili. Mungu aliagiza msalaba. Watu walitenda msalaba kwa hiari yao. Zote mbili ni kweli. Zote mbili zinafundishwa. Hakuna inayoifuta nyingine.
This is the God you serve. He is not surprised. He is not anxious. The economy is not too big for Him; your medical diagnosis is not too small for Him. The doctrine of providence is not abstract philosophy — it is the hand that holds the worst news you ever received and refuses to let it have the last word.	Huyu ndiye Mungu unayemtumikia. Hashangai. Hana wasiwasi. Uchumi si mkubwa mno kwake; utambuzi wa daktari kuhusu ugonjwa wako si mdogo mno kwake. Fundisho la majaliwa si falsafa dhahania — ni mkono unaoshikilia habari mbaya kuliko zote uliyowahi kupokea na kukataa kuiacha iwe na neno la mwisho.
So What?	Kwa Hiyo Je?
If God is who Scripture says He is, three responses follow.	Ikiwa Mungu ni yule ambaye Maandiko yanasema, majibu matatu yanafuata.

First, **worship**. You were made for it. Anything less than this God will eventually disappoint you. Worship is not the icing on a Christian life; it is the whole cake. Reverence, awe, song, silence, obedience — all of it is the right response to the God who is.	Kwanza, **ibada**. Uliumbwa kwa ajili yake. Kitu chochote pungufu ya Mungu huyu hatimaye kitakukatisha tamaa. Ibada si mapambo ya maisha ya Kikristo; ni mkate wote. Heshima, hofu takatifu, wimbo, kimya, utii — yote ni jibu sahihi kwa Mungu aliye.
Trust and Proclamation	Kuamini na Kutangaza
Second, **trust**. Aseity, sovereignty, faithfulness, omniscience — those are not abstract terms. They are the reason you can sleep tonight. The same God who runs the galaxies is paying attention to your bank account, your blood test, and your child who has not called in three weeks.	Pili, **kumwamini**. Aseity, enzi, uaminifu, ujuzi wa yote — hizi si istilahi dhahania. Ndizo sababu unaweza kulala usiku huu. Mungu yuleyule anayeendesha falme za nyota anazingatia akaunti yako ya benki, kipimo chako cha damu, na mtoto wako ambaye hajapiga simu kwa wiki tatu.
Third, **proclamation**. People are not running from a small God; they are running from the only God there is. Your job is not to invent Him for them. Your job is to introduce them. When you tell people who God is, you are not selling a product — you are reporting an existing reality. He was here before the conversation began. He will be here long after.	Tatu, **kutangaza**. Watu hawakimbii Mungu mdogo; wanakimbia Mungu pekee aliyepo. Kazi yako si kumbuni kwa ajili yao. Kazi yako ni kuwatambulisha. Unapowaambia watu Mungu ni nani, hauuzi bidhaa — unaripoti ukweli uliopo. Alikuwepo kabla ya mazungumzo kuanza. Atakuwepo muda mrefu baada yake.

Mungu hajifunzi wala hakisii.*
18. Omnipotence is best defined as: ○ God can do absolutely anything, including contradictions ✔ God can do all things consistent with His nature ○ God can do most things ○ God can do whatever humans request *Omnipotence is the power to do all things consistent with God's own nature. Short answer

English	Kiswahili

1. Define the term "aseity" in your own words, and explain why it is called the foundation of every other attribute.

Key ideas: aseity | self | depends | himself | uncaused | necessary | foundation | contingent

Model answer: Aseity means that God's life is from Himself: He exists on His own and depends on nothing outside Himself. Every other being in the universe is contingent, borrowing its existence from something else, the way leaves depend on a tree and the tree depends on the soil. Trace that chain back far enough and you reach the one being who is not borrowed at all, the great Uncaused Cause, the necessary being on whom all other being depends. It is called the foundation of every other attribute because everything else we say about God rests on the fact that He simply is, needing nothing. And the comfort hidden in it is that the God who needs nothing from you still chose to save you.

1. Eleza neno "aseity" kwa maneno yako mwenyewe, na ueleze kwa nini linaitwa msingi wa kila sifa nyingine.

Key ideas: aseity, uhai kutoka kwake, kujitegemea, kuwepo kwa nafsi yake | nafsi, mwenyewe, kwake mwenyewe, yeye mwenyewe | hategemei, kutegemea, hakuna anachomtegemea, kumtegemea | chanzo kisicho na chanzo, bila chanzo, chanzo kikuu, hakusababishwa | lazima, kwa lazima, anayelazimika kuwepo, kuwepo kwa lazima | msingi, msingi wa kila, kila sifa nyingine, yanategemea | vimekopwa, kukopa, vinategemea, vyote vimekopwa | viumbe, kiumbe, vilivyoumbwa, vitu vyote

Model answer: Aseity inamaanisha kwamba uhai wa Mungu unatoka kwake mwenyewe: yeye yupo kwa nafsi yake na hategemei chochote nje yake. Kila kiumbe kingine katika ulimwengu hutegemea kingine na ni cha kukopwa, kama majani yanavyotegemea mti na mti unavyotegemea udongo. Fuatilia mnyororo huo vya kutosha nawe utafika kwa Mmoja ambaye hakukopwa kabisa, Chanzo Kikuu kisicho na chanzo, Mwenye Kuwapo kwa lazima ambaye kila uhai mwingine unamtegemea. Linaitwa msingi wa kila sifa nyingine kwa sababu kila jambo jingine tunalosema kuhusu Mungu linategemea ukweli kwamba yeye yupo tu, bila kuhitaji chochote. Na faraja iliyofichika ndani yake ni kwamba Mungu asiyehitaji chochote kutoka kwako alichagua bado kukuokoa.

2. According to Exodus 3:14, what name did God reveal to Moses, and what does it signify?

Key ideas: I AM | Moses | name | self-existent | defined | Himself | Exodus | being

Model answer: When Moses asked God for a name to carry back to Egypt, God answered, "I AM WHO I AM" (Exodus 3:14). This is not a name in the ordinary way Pharaoh would understand one; it is God's refusal to be defined by anything outside Himself. The name discloses His self-existence, that He simply is, depending on nothing and answerable to no one above Him. While every creature is contingent and borrowed, God names Himself as the One who always was and always will be. So the name is really a confession of His aseity and eternity wrapped into one stunning reply.

2. Kulingana na Kutoka 3:14, Mungu alimfunulia Musa jina gani, na linamaanisha nini?

Key ideas: mimi niko, mimi niko ambaye niko, niko ambaye niko, i am | musa, kwa musa, alimwambia musa, moses | jina, majina, jina lake, alilitaja | kuwepo kwa nafsi yake, kujitegemea, yupo kwa nafsi yake, uhai kutoka kwake | kufafanuliwa, hafafanuliwi, kukataa kufafanuliwa, fafanuliwa na kitu | nafsi yake, mwenyewe, kwake mwenyewe, yeye mwenyewe | kutoka, kutoka 3:14, misri, sura ya 3 | uhai, kuwa, mwenye kuwapo, yupo

Model answer: Musa alipomwomba Mungu jina la kulibeba kurudi Misri, Mungu alijibu, "MIMI NIKO AMBAYE NIKO" (Kutoka 3:14). Hili si jina kwa namna ya kawaida ambayo Farao angeelewa jina; ni kukataa kwa Mungu kufafanuliwa na kitu chochote nje yake mwenyewe. Jina hilo linafunua kuwapo kwake kwa nafsi yake, kwamba yeye yupo tu, bila kutegemea chochote na bila kuwajibika kwa yeyote aliye juu yake. Wakati kila kiumbe kinategemea kingine na ni cha kukopwa, Mungu anajiita Yule aliyekuwepo siku zote na atakuwepo siku zote. Kwa hiyo jina hilo ni ungamo la aseity yake na umilele wake vilivyofungwa pamoja katika jibu moja la kushangaza.

3. What is the difference between communicable and incommunicable attributes? Give an example of each.

Key ideas: incommunicable | communicable | shared | image | creature | alone | holy | eternal

Model answer: Incommunicable attributes are the qualities God alone possesses and cannot share; the moment a creature tried to claim them, it would be claiming to be God. Examples include aseity, eternity, immutability, omnipresence, omniscience, and omnipotence, all of which belong to God by nature. Communicable attributes are qualities God shares in measure with His image-bearers. We will never be infinite or all-powerful, but we can be truthful, and we can be holy, because God commands us to reflect Him. So the line between the two is whether the attribute can be reflected in a creature at all: holiness and love can be, but self-existence and eternity cannot.

3. Kuna tofauti gani kati ya sifa zinazoshirikika na zisizoshirikika? Toa mfano wa kila moja.

Key ideas: zisizoshirikika, isiyoshirikika, incommunicable, hazishirikiki | zinazoshirikika, inayoshirikika, communicable, hushirikiwa | kushirikiwa, hushirikiwa, kushiriki, shirikishwa | sura, sura ya mungu, waliobeba sura, mfano wa mungu | kiumbe, viumbe, mwanadamu, binadamu | peke yake, pekee, wake peke yake, ni za mungu pekee | mtakatifu, utakatifu, upendo, haki | wa milele, umilele, aseity, kutobadilika

Model answer: Sifa zisizoshirikika ni sifa ambazo Mungu peke yake anazo na hawezi kuzishiriki; mara tu kiumbe kingejaribu kuzidai, kingekuwa kinadai kuwa Mungu. Mifano ni aseity, umilele, kutobadilika, kuwa kila mahali, ujuzi wa yote, na uweza wote, ambavyo vyote ni vya Mungu kwa asili. Sifa zinazoshirikika ni sifa ambazo Mungu huzishiriki kwa kiasi na wale waliobeba sura yake. Hatutakuwa wasio na mipaka wala wenyezi kamwe, lakini tunaweza kuwa wakweli, na tunaweza kuwa watakatifu, kwa sababu Mungu anatuamuru tumwakilishe. Kwa hiyo mstari kati ya hizi mbili ni kama sifa hiyo inaweza kuonekana katika kiumbe: utakatifu na upendo vinaweza, lakini kuwapo kwa nafsi yake na umilele haviwezi.

4. State one incommunicable attribute of God and briefly explain what it means.

Key ideas: immutability | change | essence | character | promises | same | creature | reliable

Model answer: One incommunicable attribute of God is immutability, which means that God does not change in essence, in character, or in His promises. Malachi 3:6 states it directly: "I am the LORD, I do not change." The God who comforted Hannah long ago is the same God who comforts a believer tonight, not different by even an inch. This sets Him apart from every creature, whose moods, strength, and circumstances shift constantly. Because He does not change, His promises are as reliable on your worst day as on your best, and that steadiness is something no creature could ever possess in itself.

4. Taja sifa moja isiyoshirikika ya Mungu na ueleze kwa ufupi inamaanisha nini.

Key ideas: kutobadilika, asiyebadilika, habadiliki, immutability | badilika, kubadilika, mabadiliko, hubadilika | asili, katika asili, asili yake, kiini | tabia, katika tabia, tabia yake, sifa zake | ahadi, ahadi zake, katika ahadi, maahidi | yuleyule, uleule, vilevile, hajabadilika | kiumbe, viumbe, binadamu, wanadamu | wa kutegemewa, anategemeka, mwaminifu, hutegemeka

Model answer: Sifa moja isiyoshirikika ya Mungu ni kutobadilika, ambayo inamaanisha kwamba Mungu habadiliki katika asili, katika tabia, wala katika ahadi zake. Malaki 3:6 inaisema waziwazi: "Mimi, BWANA, sibadiliki." Mungu yuleyule aliyemfariji Hana zamani ndiye anayemfariji muumini usiku huu, wala hatofautiani hata kidogo. Hii inamtofautisha na kila kiumbe, ambacho hali zake, nguvu zake, na mazingira yake hubadilika daima. Kwa kuwa habadiliki, ahadi zake zinategemewa siku yako mbaya kuliko zote kama siku yako njema kuliko zote, na uthabiti huo ni jambo ambalo hakuna kiumbe kingeweza kamwe kuwa nalo ndani yake.

5. State one communicable attribute of God and briefly explain what it means.

Key ideas: holy | love | just | merciful | faithful | shared | image | righteous

Model answer: One communicable attribute of God is holiness, which means He is set apart, pure, and morally perfect. Isaiah heard it cried in the throne room, "Holy, Holy, Holy is the LORD of hosts," and because Hebrew has no superlative form, the threefold repetition signals the very highest degree, holiness beyond words. It is called communicable because God shares it in measure with His image-bearers; He commands, "Be holy, for I am holy." We will never be holy in the infinite way God is, but by His grace we are called and enabled to reflect His purity in how we live. Love, mercy, justice, and faithfulness are communicable in the same way.

5. Taja sifa moja inayoshirikika ya Mungu na ueleze kwa ufupi inamaanisha nini.

Key ideas: mtakatifu, utakatifu, takatifu, kutakata | upendo, anapenda, mpendo, upendo wa mungu | mwadilifu, adili, haki, mwenye haki | rehema, mwenye rehema, huruma, mwenye huruma | mwaminifu, uaminifu, amini, hushika neno | kushirikiwa, hushirikiwa, inashirikika, zinazoshirikika | sura, waliobeba sura, sura ya mungu, mfano wake | mwenye haki, haki, sawa, adili

Model answer: Sifa moja inayoshirikika ya Mungu ni utakatifu, unaomaanisha kwamba yeye ametengwa, safi, na mkamilifu kimaadili. Isaya alisikia ukipigiwa kelele katika chumba cha kiti cha enzi, "Mtakatifu, Mtakatifu, Mtakatifu, BWANA wa majeshi," na kwa kuwa Kiebrania hakina umbo la ngazi ya juu kabisa, kurudiwa mara tatu kunaonyesha kiwango cha juu kabisa, utakatifu usioweza kuelezwa kwa maneno. Unaitwa unaoshirikika kwa sababu Mungu huushiriki kwa kiasi na wale waliobeba sura yake; anaamuru, "Iweni watakatifu, kwa kuwa mimi ni mtakatifu." Hatutakuwa watakatifu kwa njia isiyo na mipaka kama Mungu alivyo, lakini kwa neema yake tunaitwa na kuwezeshwa kuakisi usafi wake katika maisha yetu. Upendo, rehema, haki, na uaminifu vinashirikika kwa njia hiyohiyo.

6. What does the Shema (Deuteronomy 6:4) declare, and why does it matter for the doctrine of God?

Key ideas: Shema | one | LORD | Israel | monotheism | three gods | foundation | hear

Model answer: The Shema is Israel's foundational confession: "Hear, O Israel: The LORD our God, the LORD is one" (Deuteronomy 6:4). It declares that there is one God, not three gods, and not one God wearing three masks. This matters for the doctrine of God because it guards the truth of biblical monotheism and rules out the idea that the persons of the Trinity are separate deities. When we later confess Father, Son, and Holy Spirit, we never abandon the Shema; we hold the oneness of God and the three persons together. The unity declared here is the fixed point that the doctrine of the Trinity must honor, not contradict.

6. Shema (Kumbukumbu la Torati 6:4) inatangaza nini, na kwa nini ni muhimu kwa fundisho kuhusu Mungu?

Key ideas: shema, shema ya israeli, sikia, hear | mmoja, moja, mungu mmoja, ndiye mmoja | bwana, bwana mungu wetu, yehova, the lord | israeli, wa israeli, israel, taifa la israeli | imani ya mungu mmoja, mungu mmoja tu, monotheism, umoja wa mungu | miungu watatu, si watatu, miungu mingi, si miungu | msingi, ungamo la msingi, msingi wa, ungamo | sikia, sikiliza, kusikia, inaanza kwa sikia

Model answer: Shema ni ungamo la msingi la Israeli: "Sikia, Ee Israeli: BWANA Mungu wetu, BWANA ndiye mmoja" (Kumbukumbu la Torati 6:4). Inatangaza kwamba kuna Mungu mmoja, si miungu watatu, na si Mungu mmoja aliyevaa vinyago vitatu. Hili ni muhimu kwa fundisho kuhusu Mungu kwa sababu linalinda ukweli wa imani ya Biblia ya Mungu mmoja na linaondoa wazo kwamba nafsi za Utatu ni miungu tofauti. Tunapoungama baadaye Baba, Mwana, na Roho Mtakatifu, hatuiachi Shema kamwe; tunashikilia pamoja umoja wa Mungu na nafsi tatu. Umoja unaotangazwa hapa ndio nukta isiyosogea ambayo fundisho la Utatu lazima liiheshimu, si kuipinga.

7. Define the Trinity, and explain the difference between a contradiction and a mystery.

Key ideas: one | three | persons | essence | mystery | contradiction | logic | exceeds

Model answer: The Trinity is one God in three persons: the Father, the Son, and the Holy Spirit, one in essence and distinct in person. The Father is not the Son, the Son is not the Spirit, and the Spirit is not the Father, yet each is fully God, not one-third of God. This is not a contradiction but a mystery, and the difference is important. A contradiction violates logic, claiming that one equals three in the same sense at the same time. A mystery exceeds logic, affirming something true that we cannot fully measure or master. The Trinity is one in essence and three in person, distinct categories, so it surpasses our understanding without breaking it.

7. Eleza Utatu, na ueleze tofauti kati ya mgongano na fumbo.

Key ideas: mmoja, mungu mmoja, moja, asili moja | watatu, tatu, nafsi tatu, utatu | nafsi, nafsi tatu, katika nafsi, tofauti katika nafsi | asili, katika asili, kiini, mmoja katika asili | fumbo, si mgongano, siri, fumbo la | mgongano, kupingana, hupingana, contradiction | mantiki, hoja, akili, mantiki ya | huipita, kupita, hupita, kuzidi

Model answer: Utatu ni Mungu mmoja katika nafsi tatu: Baba, Mwana, na Roho Mtakatifu, mmoja katika asili na tofauti katika nafsi. Baba si Mwana, Mwana si Roho, na Roho si Baba, na hata hivyo kila mmoja ni Mungu kamili, si theluthi moja ya Mungu. Hili si mgongano bali ni fumbo, na tofauti hiyo ni muhimu. Mgongano huvunja mantiki, ukidai kwamba moja ni sawa na tatu kwa maana ileile wakati uleule. Fumbo hupita mantiki, likithibitisha jambo la kweli ambalo hatuwezi kulipima au kulimudu kikamilifu. Utatu ni mmoja katika asili na watatu katika nafsi, ambazo ni makundi tofauti, kwa hiyo unapita ufahamu wetu bila kuuvunja.

8. How does Acts 2:23 hold together divine sovereignty and human responsibility at the cross?

Key ideas: determined | purpose | lawless | responsibility | sovereignty | ordained | both | committed

Model answer: Acts 2:23 says in a single sentence that Jesus was delivered up "by the determined purpose and foreknowledge of God" and that "lawless hands" crucified Him. In other words, God ordained the cross, and men freely committed the cross, and both statements are fully true at once. Divine sovereignty means the cross was no accident; it was God's eternal plan. Human responsibility means the men who carried it out were genuinely guilty of what they did. Neither truth cancels the other. The verse refuses to soften either side, teaching us that God's comprehensive rule and real human accountability stand together, even in the darkest moment of history.

8. Matendo 2:23 inaunganishaje enzi ya Mungu na wajibu wa mwanadamu msalabani?

Key ideas: kusudi, kusudi lililokusudiwa, shauri, mpango | lililokusudiwa, alikusudia, kukusudia, aliagiza | watu wasio na sheria, wasio na sheria, mikono ya watu, waovu | wajibu, uwajibikaji, hatia, walihusika | enzi, ukuu wa mungu, enzi ya mungu, anatawala | aliagiza, aliweka, alipanga, kuagizwa | zote mbili, pande zote, yote mawili, kweli zote | walitenda, kutenda, walifanya, kwa hiari

Model answer: Matendo 2:23 inasema katika sentensi moja kwamba Yesu alitolewa "kwa shauri lake Mungu lililokusudiwa, na kwa kujua kwake tangu zamani" na kwamba "mikono ya watu wasio na sheria" ilimsulibisha. Kwa maneno mengine, Mungu aliagiza msalaba, na watu waliutenda kwa hiari yao, na kauli zote mbili ni kweli kabisa kwa wakati mmoja. Enzi ya Mungu inamaanisha msalaba haukuwa ajali; ulikuwa mpango wake wa milele. Wajibu wa mwanadamu unamaanisha watu waliotekeleza walikuwa na hatia kweli kwa waliyofanya. Hakuna kweli inayofuta nyingine. Andiko linakataa kulainisha upande wowote, likitufundisha kwamba utawala kamili wa Mungu na uwajibikaji halisi wa mwanadamu vinasimama pamoja, hata katika wakati wa giza zaidi katika historia.

9. Why is the doctrine of God's immutability a comfort to believers?

Key ideas: unchanging | same | promises | faithful | reliable | trust | character | Malachi

Model answer: Immutability is a comfort because it means the God we trust never changes in character or in His promises. Malachi 3:6 says, "I am the LORD, I do not change," and the unit points out that the same God who comforted Hannah long ago is the same God who comforts a believer tonight, not different by an inch. Our circumstances shift, our moods rise and fall, and people fail us, but God is utterly steady. That means a promise He made does not weaken with time, and His love does not cool when we struggle. Across the longest pause in your prayer life, He is still keeping His word, because His faithfulness flows from a nature that cannot change.

9. Kwa nini fundisho la kutobadilika kwa Mungu ni faraja kwa waumini?

Key ideas: kutobadilika, habadiliki, asiyebadilika, hubadilika | yuleyule, uleule, hajabadilika, vilevile | ahadi, ahadi zake, maahidi, ahadi hazibadiliki | mwaminifu, uaminifu, amini, hushika neno | wa kutegemewa, kutegemewa, hutegemeka, anategemeka | amini, kuamini, tumaini, imani | tabia, tabia yake, asili, asili yake | malaki, malaki 3:6, sibadiliki, bwana

Model answer: Kutobadilika ni faraja kwa sababu kunamaanisha Mungu tunayemwamini habadiliki katika tabia wala katika ahadi zake. Malaki 3:6 inasema, "Mimi, BWANA, sibadiliki," na sehemu hii inaeleza kwamba Mungu yuleyule aliyemfariji Hana zamani ndiye anayemfariji muumini usiku huu, wala hatofautiani hata kidogo. Hali zetu hubadilika, hisia zetu hupanda na kushuka, na watu hutukosea, lakini Mungu ni thabiti kabisa. Hiyo inamaanisha ahadi aliyoitoa haidhoofiki kwa wakati, na upendo wake haupoi tunapohangaika. Katika kipindi kirefu zaidi cha ukimya wa maombi yako, bado analishika neno lake, kwa sababu uaminifu wake unatokana na asili isiyoweza kubadilika.

10. List and briefly explain three appropriate responses to the doctrine of God.

Key ideas: worship | trust | proclamation | made | sleep | introduce | reality | response

Model answer: If God is who Scripture says He is, three responses follow. The first is worship: we were made for it, and anything less than this God will eventually disappoint us, so reverence, awe, and obedience are the fitting response to the God who simply is. The second is trust: attributes like aseity, sovereignty, faithfulness, and omniscience are not cold terms but the very reason a believer can sleep at night, because the God who runs the galaxies is attending to the smallest details of our lives. The third is proclamation: our task is not to invent God for people but to introduce them to the God who is already there, reporting an existing reality rather than selling a product.

10. Taja na ueleze kwa ufupi majibu matatu yanayofaa kwa fundisho kuhusu Mungu.

Key ideas: ibada, abudu, kuabudu, kumwabudu | kuamini, kumwamini, amini, imani | kutangaza, tangaza, kumtangaza, kutangazwa | uliumbwa, tuliumbwa, kuumbwa, umeumbwa | kulala, unaweza kulala, usingizi, amani | kutambulisha, tambulisha, kuwatambulisha, utambulisho | ukweli, ukweli uliopo, uhalisia, hali halisi | jibu, majibu, mwitikio, hatua

Model answer: Ikiwa Mungu ni yule ambaye Maandiko yanasema, majibu matatu yanafuata. La kwanza ni ibada: tuliumbwa kwa ajili yake, na kitu chochote pungufu ya Mungu huyu hatimaye kitatukatisha tamaa, kwa hiyo heshima, hofu takatifu, na utii ndilo jibu linalofaa kwa Mungu aliye. La pili ni kumwamini: sifa kama aseity, enzi, uaminifu, na ujuzi wa yote si istilahi baridi bali ndizo sababu hasa muumini anaweza kulala usiku, kwa sababu Mungu anayeendesha falme za nyota anazingatia hata mambo madogo kabisa ya maisha yetu. La tatu ni kutangaza: kazi yetu si kumbuni Mungu kwa ajili ya watu bali kuwatambulisha kwa Mungu ambaye tayari yupo, tukiripoti ukweli uliopo badala ya kuuza bidhaa.

"When the fullness of the time had come, God sent forth His Son." — Galatians 4:4 (NKJV)	"Hata ilipowadia utimilifu wa wakati, Mungu alimtuma Mwanawe." — Wagalatia 4:4 (NKJV)
When we speak about Jesus Christ, we are speaking primarily about the historical Jesus—His person and His work. The person of Jesus concerns who He is; the work of Jesus concerns what He has done in history. Together, these form the foundation of Christology, the study of Jesus Christ.	Tunaposema juu ya Yesu Kristo, tunazungumza hasa juu ya Yesu wa kihistoria—nafsi yake na kazi yake. Nafsi ya Yesu inahusu Yeye ni nani; kazi ya Yesu inahusu yale aliyoyafanya katika historia. Pamoja, mambo haya mawili ndiyo msingi wa Kristolojia, yaani somo la Yesu Kristo.
The name of Jesus itself carries deep meaning. The word "Jesus" means "salvation," and it is related to the names Jeshua and Joshua. The title "Christ" is not merely a name but a designation meaning "Messiah" or "Anointed One." In Him, the long-awaited hope of humanity is fulfilled. What men had been searching for across generations is found in Jesus Christ.	Hata jina la Yesu lina maana ya kina. Neno "Yesu" lina maana ya "wokovu," na linahusiana na majina Yeshua na Yoshua. Cheo "Kristo" si jina tu bali ni wadhifa unaomaanisha "Masihi" au "Mtiwa Mafuta." Ndani yake, tumaini la muda mrefu la wanadamu limetimizwa. Kile ambacho watu walikitafuta kwa vizazi vingi kimepatikana katika Yesu Kristo.

The Fullness of Time and the Preparation for Christ	Utimilifu wa Wakati na Maandalizi ya Kuja kwa Kristo
Galatians 4:4 declares that "when the fullness of time had come, God sent forth His Son." This statement reveals that the coming of Jesus Christ was not accidental. It occurred at precisely the right moment in history according to the perfect plan of God. Everything had been prepared in advance.	Wagalatia 4:4 inatangaza kwamba "hata ilipowadia utimilifu wa wakati, Mungu alimtuma Mwanawe." Maneno haya yanaonyesha kwamba kuja kwake Yesu Kristo hakukutokea kwa bahati mbaya. Kulitukia katika wakati ulio sahihi kabisa katika historia, kulingana na mpango kamili wa Mungu. Kila kitu kilikuwa kimetayarishwa mapema.

The Greeks had already provided a unifying culture and a universal language. Greek was widely spoken throughout the known world, allowing the message of Christ to be communicated clearly across nations. When the gospel was later preached, it could move quickly because people already shared a common language.	Wagiriki walikuwa tayari wametoa utamaduni unaounganisha na lugha ya wote. Kigiriki kilizungumzwa kwa wingi katika ulimwengu wote uliojulikana, na hivyo ujumbe wa Kristo uliweza kufikishwa wazi katika mataifa yote. Injili ilipohubiriwa baadaye, iliweza kuenea haraka kwa sababu watu tayari walikuwa na lugha moja ya pamoja.
The Romans contributed political stability and infrastructure. They built roads that connected cities and regions, making travel possible on an unprecedented scale. They established systems of communication and maintained a peace that allowed movement without constant threat. These conditions made it possible for the apostles and early missionaries to travel freely and spread the gospel.	Warumi walichangia utulivu wa kisiasa na miundombinu. Walijenga barabara zilizounganisha miji na mikoa, na kufanya safari ziwezekane kwa kiwango ambacho hakijawahi kuonekana. Walianzisha mifumo ya mawasiliano na kudumisha amani iliyoruhusu watu kusafiri bila tishio la kila mara. Hali hizi ziliwawezesha mitume na wamisionari wa kwanza kusafiri kwa uhuru na kueneza injili.
The Jewish people provided the spiritual and moral preparation. They preserved the knowledge of the one true God and upheld a strict moral law. Their synagogues were scattered throughout the world, creating centers of teaching and worship. Many Gentiles were drawn to their faith and became known as "God-fearers." Though they had not fully converted, they were prepared to receive the message of Christ.	Wayahudi walitoa maandalizi ya kiroho na ya kimaadili. Walihifadhi ujuzi wa Mungu mmoja wa kweli na kushika sheria kali ya maadili. Masinagogi yao yalikuwa yametawanyika duniani kote, na kuwa vituo vya mafundisho na ibada. Watu wengi wa Mataifa walivutwa na imani yao na wakajulikana kama "wanaomcha Mungu." Ingawa hawakuwa wamegeuka kikamilifu, walikuwa tayari kupokea ujumbe wa Kristo.
In this way, God prepared the world culturally, politically, and spiritually. When Christ came, the stage had been set. The timing was not merely appropriate—it was divinely perfect.	Kwa njia hii, Mungu aliuandaa ulimwengu kiutamaduni, kisiasa na kiroho. Kristo alipokuja, jukwaa lilikuwa tayari. Wakati huo haukuwa wa kufaa tu—ulikuwa kamilifu kimungu.
The Humanity and Divinity of Christ	Ubinadamu na Uungu wa Kristo
When we consider the person of Jesus Christ, we encounter one of the most profound truths of the Christian faith: He is both fully human and fully divine.	Tunapoitafakari nafsi ya Yesu Kristo, tunakutana na mojawapo ya kweli za ndani kabisa za imani ya Kikristo: Yeye ni mwanadamu kamili na pia Mungu kamili.
As a man, Jesus experienced the full reality of human life. He bled, He wept, and He died. He grew tired and knew physical weakness. He lived within the genuine limitations of human existence. These experiences were not appearances—they were real expressions of His humanity.	Kama mwanadamu, Yesu alipitia hali halisi kamili ya maisha ya kibinadamu. Alivuja damu, alilia, na alikufa. Alichoka na alijua udhaifu wa mwili. Aliishi ndani ya mipaka halisi ya maisha ya mwanadamu. Uzoefu huu haukuwa mwonekano tu—ulikuwa maonyesho halisi ya ubinadamu wake.
Yet at the same time, Jesus is fully God. He performed miracles, demonstrating authority over nature, disease, and death. He walked upon the sea. He healed the sick and raised the dead. He exercised power that belongs to God alone.	Hata hivyo, wakati huo huo, Yesu ni Mungu kamili. Alifanya miujiza, akionyesha mamlaka juu ya maumbile, magonjwa, na kifo. Alitembea juu ya bahari. Aliponya wagonjwa na kufufua wafu. Alitumia nguvu ambayo ni ya Mungu peke yake.

His teaching further revealed His divine nature. He did not speak as the scribes or rabbis, relying on tradition. Instead, He spoke with direct authority. Those who heard Him recognized that His words carried a weight unlike any other teacher.	Mafundisho yake pia yalifunua asili yake ya kimungu. Hakusema kama waandishi au marabi, akitegemea mapokeo. Badala yake, alisema kwa mamlaka ya moja kwa moja. Wale waliomsikia walitambua kwamba maneno yake yalikuwa na uzito usiofanana na mwalimu mwingine yeyote.
In Jesus Christ, the mind of Christ is the mind of God revealed to humanity. To see Him is to see the Father. To hear Him is to hear the voice of God. In Him, God has made Himself known in a way humanity can understand.	Katika Yesu Kristo, nia ya Kristo ni nia ya Mungu iliyofunuliwa kwa wanadamu. Kumwona Yeye ni kumwona Baba. Kumsikia Yeye ni kusikia sauti ya Mungu. Ndani yake, Mungu amejijulisha kwa njia ambayo wanadamu wanaweza kuielewa.
"In the beginning was the Word, and the Word was with God, and the Word was God... and the Word became flesh and dwelt among us." — John 1:1,14	"Hapo mwanzo kulikuwako Neno, naye Neno alikuwako kwa Mungu, naye Neno alikuwa Mungu... Naye Neno alifanyika mwili, akakaa kwetu." — Yohana 1:1,14
The Logos: Bridging Jewish and Greek Thought	Logos: Daraja Kati ya Fikra za Kiyahudi na za Kigiriki
The Christian answer to the question "Who is Jesus?" has remained consistent through the centuries: He is God who became man and lived among us. The Gospel of John expresses this clearly when it says, "The Word became flesh and dwelt among us." In that single statement, the mystery of Christ is revealed—God entering human history.	Jibu la Kikristo kwa swali "Yesu ni nani?" limebaki lilelile kwa karne nyingi: Yeye ni Mungu aliyefanyika mwanadamu na kuishi kati yetu. Injili ya Yohana inalieleza hili waziwazi inaposema, "Neno alifanyika mwili, akakaa kwetu." Katika kauli hiyo moja, siri ya Kristo inafunuliwa—Mungu akiingia katika historia ya wanadamu.
This truth was not always easy to communicate, especially across cultural boundaries. Among the Jews, it was natural to speak of Jesus as the Messiah, the Son of David, or the Son of God. These were familiar categories rooted in their Scriptures and expectations. But when the gospel moved into the Greek-speaking world, a different approach was needed.	Kweli hii haikuwa rahisi kila wakati kuifikisha, hasa katika mipaka ya kitamaduni. Miongoni mwa Wayahudi, ilikuwa jambo la kawaida kumtaja Yesu kama Masihi, Mwana wa Daudi, au Mwana wa Mungu. Hizi zilikuwa kategoria zinazojulikana, zilizokita mizizi katika Maandiko yao na matarajio yao. Lakini injili ilipoingia katika ulimwengu wa Kigiriki, mbinu tofauti ilihitajika.
John provides that bridge by calling Jesus "the Word of God." To the Greek mind, the concept of the "Word" (Logos) carried deep philosophical meaning. The Greeks observed order in the universe and sought to understand the principle behind it. They asked what held the stars in place, what governed the seasons, and what gave reason to humanity. Their answer was the Logos—the rational principle that ordered the cosmos.	Yohana anatoa daraja hilo kwa kumwita Yesu "Neno la Mungu." Kwa akili ya Kigiriki, dhana ya "Neno" (Logos) ilibeba maana nzito ya kifalsafa. Wagiriki waliona mpangilio katika ulimwengu na wakatafuta kuelewa kanuni iliyo nyuma yake. Waliuliza ni nini kinachoshikilia nyota mahali pake, ni nini kinachotawala majira, na ni nini kinachompa mwanadamu akili. Jibu lao lilikuwa Logos—kanuni ya kimantiki iliyoupangilia ulimwengu.
John takes that concept and declares something revolutionary: the Logos is not an abstract principle but a person. The Word of God has become flesh. In Jesus, the rational order of the universe is revealed as personal, relational, and knowable.	Yohana anaichukua dhana hiyo na kutangaza jambo la kimapinduzi: Logos si kanuni ya kidhahania bali ni nafsi. Neno la Mungu amefanyika mwili. Katika Yesu, mpangilio wa kimantiki wa ulimwengu unafunuliwa kuwa wa kibinafsi, wa uhusiano, na unaoweza kujulikana.

This leads to a profound understanding of God. A word serves two primary functions: it communicates and it expresses thought. If Jesus is the Word of God, then God is communicating with humanity through Him. At the same time, Jesus is the expression of the very mind and nature of God. To know what God is like, one must look at Jesus. As He Himself declared, "If you have seen Me, you have seen the Father."	Hili linaongoza kwenye uelewa wa ndani wa Mungu. Neno lina kazi kuu mbili: linawasilisha na linaonyesha fikra. Ikiwa Yesu ni Neno la Mungu, basi Mungu anawasiliana na wanadamu kupitia Yeye. Wakati huo huo, Yesu ndiye kielelezo cha nia na asili ya Mungu mwenyewe. Ili kujua Mungu yukoje, ni lazima kumtazama Yesu. Kama Yeye mwenyewe alivyotangaza, "Mkiwa mmeniona mimi, mmemwona Baba."
"He who has seen Me has seen the Father." — John 14:9	"Yeye aliyeniona mimi amemwona Baba." — Yohana 14:9
What Christ Reveals About God	Kile Kristo Anachofunua Kuhusu Mungu
The coming of Jesus Christ reveals essential truths about the nature of God. First, we learn that God cares for humanity. Before Christ, many philosophies portrayed God as distant, unknowable, or indifferent. Some believed God was beyond human understanding; others thought He was unconcerned with human suffering. Still others imagined the divine as harsh, merciless, or even hostile. But in Jesus Christ, that picture is shattered. God is not distant—He is near. He enters into human experience, sharing in suffering, temptation, and sorrow. The incarnation reveals that God's love is not theoretical but personal.	Kuja kwake Yesu Kristo kunafunua kweli muhimu kuhusu asili ya Mungu. Kwanza, tunajifunza kwamba Mungu anawajali wanadamu. Kabla ya Kristo, falsafa nyingi zilimchora Mungu kuwa mbali, asiyeweza kujulikana, au asiyejali. Wengine waliamini kwamba Mungu yuko juu ya uelewa wa mwanadamu; wengine walidhani hajali mateso ya wanadamu. Bado wengine walimfikiria Mungu kuwa mkali, asiye na huruma, au hata adui. Lakini katika Yesu Kristo, picha hiyo imevunjwa. Mungu si mbali—Yeye yu karibu. Anaingia katika uzoefu wa mwanadamu, akishiriki mateso, majaribu, na huzuni. Kufanyika mwili kunafunua kwamba upendo wa Mungu si wa nadharia bali ni wa kibinafsi.
"For God so loved the world that He gave His only begotten Son." — John 3:16	"Kwa maana jinsi hii Mungu aliupenda ulimwengu, hata akamtoa Mwanawe pekee." — Yohana 3:16
Second, we learn that God works in His own time. Christ came in the "fullness of time" (Galatians 4:4). God prepared history—the Greek language, Jewish religion, and Roman roads—for this moment. Nothing is accidental in God's plan.	Pili, tunajifunza kwamba Mungu hufanya kazi kwa wakati wake mwenyewe. Kristo alikuja katika "utimilifu wa wakati" (Wagalatia 4:4). Mungu aliiandaa historia—lugha ya Kigiriki, dini ya Kiyahudi, na barabara za Kirumi—kwa ajili ya wakati huu. Hakuna kitu kinachotokea kwa bahati katika mpango wa Mungu.
Third, we learn that God keeps His promises. Jesus fulfilled the specific prophecies of the Old Testament, such as being born in Bethlehem (Micah 5:2) and being born of a virgin (Isaiah 7:14). Centuries before the cross, Psalm 22 foretold the Messiah's suffering in startling detail — pierced hands and feet, lots cast for His garments, and the cry, "My God, My God, why have You forsaken Me?" — all fulfilled at Calvary. The faithfulness of God is demonstrated in the person of Christ.	Tatu, tunajifunza kwamba Mungu hutimiza ahadi zake. Yesu alitimiza unabii mahususi wa Agano la Kale, kama vile kuzaliwa Bethlehemu (Mika 5:2) na kuzaliwa na bikira (Isaya 7:14). Karne nyingi kabla ya msalaba, Zaburi 22 ilitabiri mateso ya Masihi kwa undani wa kushangaza — mikono na miguu iliyotobolewa, kura zilizopigwa kwa mavazi yake, na kilio, "Mungu wangu, Mungu wangu, mbona umeniacha?" — yote yalitimizwa Kalvari. Uaminifu wa Mungu unaonyeshwa katika nafsi ya Kristo.
The Work of Jesus Christ	Kazi ya Yesu Kristo

The Pre-existence and Creation: Jesus existed before His birth in Bethlehem (John 8:58). He was the Agent of Creation; all things were made through Him (John 1:3) and for Him (Colossians 1:16).	**Kuwepo Kabla na Uumbaji:** Yesu alikuwepo kabla ya kuzaliwa kwake Bethlehemu (Yohana 8:58). Yeye ndiye Wakala wa Uumbaji; vitu vyote vilifanyika kwa yeye (Yohana 1:3) na kwa ajili yake (Wakolosai 1:16).
The Virgin Birth: Jesus was divinely conceived by the Holy Spirit (Luke 1:35). This fulfillment of prophecy (Matthew 1:23) ensured that He was the "God-Man," not merely an ordinary human.	**Kuzaliwa na Bikira:** Yesu alichukuliwa mimba kimungu kwa Roho Mtakatifu (Luka 1:35). Kutimia huku kwa unabii (Mathayo 1:23) kulihakikisha kwamba Yeye ni "Mungu-Mtu," si mwanadamu wa kawaida tu.
The Temptations (The Battle in the Desert): Jesus was driven into the desert to be tested (Matthew 4:1). He used Scripture to defeat Satan. Regarding bread, He refused to abandon the spiritual for the physical, stating, "Man shall not live by bread alone" (Matthew 4:4). Regarding the pinnacle, He refused to test God's protection for personal ambition (Matthew 4:7). Regarding the kingdoms, He refused to worship Satan for instant power, declaring, "Worship the Lord your God, and serve him only" (Matthew 4:10).	**Majaribu (Vita Jangwani):** Yesu alipelekwa jangwani ili ajaribiwe (Mathayo 4:1). Alitumia Maandiko kumshinda Shetani. Kuhusu mkate, alikataa kuacha la kiroho kwa ajili ya la kimwili, akisema, "Mtu hataishi kwa mkate tu" (Mathayo 4:4). Kuhusu kilele cha hekalu, alikataa kumjaribu Mungu kuhusu ulinzi wake kwa ajili ya tamaa binafsi (Mathayo 4:7). Kuhusu falme, alikataa kumwabudu Shetani ili apate nguvu mara moja, akitangaza, "Mwabudu Bwana, Mungu wako, umtumikie yeye peke yake" (Mathayo 4:10).
Sinlessness: The Real Choice: Jesus was tempted in every way, yet remained without sin (Hebrews 4:15). Scriptural evidence shows He committed no sin, and no deceit was found in His mouth (1 Peter 2:22). For His obedience to be meaningful, it had to be a choice (Hebrews 5:8). His victory over temptation makes His identification with our struggles real.	**Kutokuwa na Dhambi: Chaguo la Kweli:** Yesu alijaribiwa kwa kila njia, lakini alibaki bila dhambi (Waebrania 4:15). Ushuhuda wa Maandiko unaonyesha kwamba hakutenda dhambi, wala hila haikuonekana kinywani mwake (1 Petro 2:22). Ili utii wake uwe na maana, ilibidi uwe chaguo (Waebrania 5:8). Ushindi wake juu ya majaribu unafanya kuungana kwake nasi katika mapambano yetu kuwa halisi.
The Last Adam: Paul calls Jesus "the last Adam" (1 Corinthians 15:45) and develops the parallel in Romans 5: through one man, Adam, disobedience brought death to all; through one Man, Christ, obedience brings righteousness and life to all who are in Him. Where the first Adam fell, the last Adam stood. His sinless obedience is therefore not merely personal; it reverses the ruin of the first Adam and becomes the ground of life for His people.	**Adamu wa Mwisho:** Paulo anamwita Yesu "Adamu wa mwisho" (1 Wakorintho 15:45) na anaendeleza ulinganifu huo katika Warumi 5: kwa mtu mmoja, Adamu, kutotii kulileta mauti kwa wote; kwa Mtu mmoja, Kristo, utii huleta haki na uzima kwa wote walio ndani yake. Pale Adamu wa kwanza alipoanguka, Adamu wa mwisho alisimama. Utii wake usio na dhambi, kwa hiyo, si wa kibinafsi tu; unabadilisha uharibifu wa Adamu wa kwanza na kuwa msingi wa uzima kwa watu wake.
💡 **The Mallard Duck:** Like a duck hearing the call from the sky, the believer feels an "upward" pull toward their citizenship in Heaven (Philippians 3:20).	💡 **Bata Mwitu (Mallard):** Kama bata anayesikia wito kutoka angani, muumini anahisi mvuto wa "kuelekea juu" kwa uraia wake mbinguni (Wafilipi 3:20).
The Passion: Suffering and Death	Mateso: Kuteswa na Kifo

The Suffering: Jesus suffered vicariously, meaning He took our place (Isaiah 53:5). He was the "Lamb of God" who takes away the sin of the world (John 1:29). On the cross, He refused the drugged wine (Mark 15:23), choosing to face the full weight of the atonement with a clear mind.	**Kuteswa:** Yesu aliteswa kwa niaba yetu, yaani alichukua mahali petu (Isaya 53:5). Yeye ndiye "Mwana-Kondoo wa Mungu" aichukuaye dhambi ya ulimwengu (Yohana 1:29). Msalabani, alikataa divai iliyochanganywa na dawa ya kulevya (Marko 15:23), akichagua kukabili uzito kamili wa upatanisho akiwa na akili timamu.
The Resurrection: The Resurrection is the vindication of Christ's claims (Romans 1:4). On the first day of the week, the stone was rolled away and the tomb was empty (Luke 24:1-6). A powerful evidence for the resurrection is that even those who were antagonistic or doubtful believed when they saw the resurrected Jesus. Thomas the doubter demanded physical proof but cried out, "My Lord and my God!" when he saw Jesus (John 20:24-28). Saul of Tarsus, an active persecutor of the church, was transformed into the Apostle Paul after meeting the risen Christ on the road to Damascus (Acts 9:1-6). James, the half-brother of Jesus who did not believe in Him during His ministry (John 7:5), became a pillar of the church after a post-resurrection appearance (1 Corinthians 15:7).	**Ufufuo:** Ufufuo ni uthibitisho wa madai ya Kristo (Warumi 1:4). Siku ya kwanza ya juma, jiwe lilikuwa limeviringishwa na kaburi lilikuwa tupu (Luka 24:1-6). Ushahidi wenye nguvu wa ufufuo ni kwamba hata wale waliokuwa wapinzani au wenye shaka waliamini walipomwona Yesu aliyefufuka. Tomaso mwenye shaka alidai uthibitisho wa kimwili lakini alipaza sauti, "Bwana wangu na Mungu wangu!" alipomwona Yesu (Yohana 20:24-28). Sauli wa Tarso, mtesi mkali wa kanisa, aligeuzwa kuwa Mtume Paulo baada ya kukutana na Kristo aliyefufuka njiani kwenda Dameski (Matendo 9:1-6). Yakobo, ndugu wa Yesu wa kambo ambaye hakumwamini wakati wa huduma yake (Yohana 7:5), alikuwa nguzo ya kanisa baada ya kutokewa na Yesu baada ya ufufuo (1 Wakorintho 15:7).
False Theories of the Resurrection: The Swoon Theory claims He fainted, but the spear in His side produced blood and water (John 19:34). The Spirit Theory claims only a ghost appeared, but Jesus invited them to touch His flesh and bones (Luke 24:39). The Vision Theory claims it was a hallucination, but He appeared to over 500 people at once (1 Corinthians 15:6). The Mistake Theory claims they went to the wrong tomb, but the women had carefully noted the location of the burial (Luke 23:55). The Fraud Theory claims the disciples stole the body, but frightened men do not die for a lie they know is a hoax (Matthew 28:11-15).	**Nadharia za Uongo Kuhusu Ufufuo:** Nadharia ya Kuzimia inadai kwamba alizimia tu, lakini mkuki ubavuni mwake ulitoa damu na maji (Yohana 19:34). Nadharia ya Roho inadai kwamba ni mzimu tu uliotokea, lakini Yesu aliwaalika waguse mwili wake na mifupa yake (Luka 24:39). Nadharia ya Maono inadai kwamba ilikuwa njozi ya kuwaza, lakini alitokea kwa watu zaidi ya 500 kwa wakati mmoja (1 Wakorintho 15:6). Nadharia ya Kosa inadai kwamba walikwenda kwenye kaburi lisilo sahihi, lakini wale wanawake walikuwa wameona kwa uangalifu mahali alipozikwa (Luka 23:55). Nadharia ya Udanganyifu inadai kwamba wanafunzi waliiba mwili, lakini watu wenye hofu hawafi kwa ajili ya uongo wanaoujua kuwa ni hila (Mathayo 28:11-15).
The Ascension and Second Coming	Kupaa na Kuja Mara ya Pili
Why Jesus Ascended: He ascended to speak for us as our Advocate and Intercessor at the right hand of God (Romans 8:34; Hebrews 7:25). He ascended to send the Holy Spirit, promising that it was for our good that He went away so the Counselor would come (John 16:7). He ascended to give us hope, preparing a place for us (John 14:2-3).	**Kwa Nini Yesu Alipaa:** Alipaa ili atusemee kama Mwombezi na Mwakilishi wetu mkono wa kuume wa Mungu (Warumi 8:34; Waebrania 7:25). Alipaa ili amtume Roho Mtakatifu, akiahidi kwamba ilikuwa kwa faida yetu yeye kuondoka ili Msaidizi aje (Yohana 16:7). Alipaa ili atupe tumaini, akitutayarishia makao (Yohana 14:2-3).

The Second Coming (The Parousia): Jesus will return in the same way He left (Acts 1:11). This return will bring judgment to the ungodly (2 Thessalonians 2:8) and the final establishment of His kingdom (Revelation 21:1-5). The time of this arrival remains unknown to all but the Father (Matthew 24:36).	**Kuja Mara ya Pili (Parousia):** Yesu atarudi kwa namna ileile alivyoondoka (Matendo 1:11). Kurudi huku kutaleta hukumu juu ya wasiomcha Mungu (2 Wathesalonike 2:8) na kuanzishwa kwa mwisho kwa ufalme wake (Ufunuo 21:1-5). Wakati wa kuwasili huku haujulikani na yeyote isipokuwa Baba (Mathayo 24:36).
Final Summary	Muhtasari wa Mwisho
The Doctrine of Jesus Christ teaches us that God entered human history in the person of His Son. Jesus is fully God and fully man—the only qualified Mediator between God and humanity. He lived a sinless life, died a substitutionary death, rose bodily from the grave, ascended to the Father, and will return as King. Because of who He is and what He has done, salvation is available to all who believe. To know Christ is to know God. To trust Christ is to receive eternal life.	Fundisho la Yesu Kristo linatufundisha kwamba Mungu aliingia katika historia ya wanadamu katika nafsi ya Mwanawe. Yesu ni Mungu kamili na mwanadamu kamili—Mpatanishi pekee mwenye sifa kati ya Mungu na wanadamu. Aliishi maisha yasiyo na dhambi, alikufa kifo cha kuchukua mahali petu, alifufuka kimwili kutoka kaburini, alipaa kwa Baba, na atarudi kama Mfalme. Kwa sababu ya Yeye ni nani na yale aliyoyafanya, wokovu unapatikana kwa wote wanaoamini. Kumjua Kristo ni kumjua Mungu. Kumwamini Kristo ni kupokea uzima wa milele.

Short answer

English	Kiswahili

1. Trace the development of Christology from Old Testament prophecy (such as Isaiah 53 and Psalm 22) to New Testament fulfillment. How do these prophecies authenticate Jesus as the promised Messiah?

Key ideas: prophecy | Isaiah | Psalm 22 | fulfilled | Messiah | pierced | forsaken | faithful

Model answer: The unit teaches that God keeps His promises, and Jesus is the proof: He fulfilled specific Old Testament prophecies no one could arrange for himself. Isaiah 53 had described the suffering servant who was pierced for our transgressions, and Psalm 22 foretold the Messiah's suffering in startling detail centuries before the cross, naming pierced hands and feet, the casting of lots for His garments, and the cry, "My God, My God, why have You forsaken Me?" All of these were fulfilled at Calvary. Together with prophecies like Bethlehem (Micah 5:2) and the virgin birth (Isaiah 7:14), this thread runs from promise to fulfillment in one person. Because the predictions were made long before and met precisely in Christ, they authenticate Him as the long-awaited Messiah rather than an ordinary claimant.

1. Fuatilia maendeleo ya Kristolojia kutoka unabii wa Agano la Kale (kama vile Isaya 53 na Zaburi 22) hadi kutimia kwake katika Agano Jipya. Unabii huu unamthibitishaje Yesu kuwa Masihi aliyeahidiwa?

Key ideas: unabii, manabii, tabiri, kutabiri, ulitabiri | isaya, isaya 53, mtumishi anayeteswa, mtumishi mwenye mateso | zaburi 22, zaburi ya 22, zaburi, zaburi ya daudi | kutimia, kutimizwa, timizwa, alitimiza, ulitimia, yalitimia | masihi, mtiwa mafuta, kristo, aliyeahidiwa | kutobolewa, iliyotobolewa, mikono na miguu, alitobolewa, kutoboa | kuachwa, umeniacha, mbona umeniacha, aliachwa | uaminifu, mwaminifu, ahadi, hutimiza ahadi, ahadi zake

Model answer: Mungu alitimiza ahadi zake: Yesu alitimiza unabii mahususi wa Agano la Kale ambao hakuna mtu angeweza kujipangia mwenyewe. Isaya 53 ilieleza mtumishi anayeteswa aliyetobolewa kwa makosa yetu, na Zaburi 22 ilitabiri mateso ya Masihi kwa undani wa kushangaza karne nyingi kabla ya msalaba, ikitaja mikono na miguu iliyotobolewa, kura zilizopigwa kwa mavazi yake, na kilio, "Mungu wangu, Mungu wangu, mbona umeniacha?" Yote haya yalitimizwa Kalvari. Pamoja na unabii kama wa Bethlehemu (Mika 5:2) na kuzaliwa na bikira (Isaya 7:14), uzi huu unatoka kwenye ahadi hadi utimilifu katika nafsi moja. Kwa kuwa utabiri ulitolewa zamani sana na ukatimia kikamilifu katika Kristo, unamthibitisha kuwa Masihi aliyengojewa kwa muda mrefu, wala si mdai wa kawaida.

2. Explain the theological significance of the "fullness of time" (Galatians 4:4). How were the Roman Empire, the Greek language, and the Jewish religion suited for the spread of the gospel? Key ideas: fullness | time | Greek | language | Roman | roads | Jewish | prepared *Model answer:* "When the fullness of time had come, God sent forth His Son" means the coming of Christ was not accidental but happened at exactly the right moment in God's perfect plan. The Greeks had given the world a unifying culture and a common language, so the message of Christ could be communicated clearly across nations. The Romans had built roads and maintained a peace that let the apostles travel freely and spread the gospel on an unprecedented scale. The Jewish people had preserved the knowledge of the one true God, upheld a strict moral law, and planted synagogues throughout the world, drawing in God-fearers who were prepared to receive Christ. Culturally, politically, and spiritually the stage was set, so the timing was not merely appropriate but divinely perfect.	**2. Eleza umuhimu wa kitheolojia wa "utimilifu wa wakati" (Wagalatia 4:4). Dola ya Kirumi, lugha ya Kigiriki, na dini ya Kiyahudi vilifaaje kwa kuenea kwa injili?** Key ideas: utimilifu, utimilifu wa wakati, ulipowadia, kutimia kwa wakati | wakati, wakati sahihi, wakati kamili, wakati wake | kigiriki, wagiriki, kiyunani, utamaduni wa kigiriki | lugha, lugha moja, lugha ya wote, lugha ya pamoja | warumi, kirumi, dola ya kirumi, utawala wa kirumi | barabara, njia, safari, kusafiri | wayahudi, kiyahudi, masinagogi, sinagogi, wacha mungu, wanaomcha mungu | kuandaa, kutayarisha, aliandaa, maandalizi, kutayarishwa, alitayarisha *Model answer:* "Hata ilipowadia utimilifu wa wakati, Mungu alimtuma Mwanawe" inamaanisha kwamba kuja kwa Kristo hakukuwa kwa bahati bali kulitokea katika wakati sahihi kabisa katika mpango kamili wa Mungu. Wagiriki walikuwa wameupa ulimwengu utamaduni unaounganisha na lugha ya pamoja, ili ujumbe wa Kristo uweze kufikishwa wazi katika mataifa. Warumi walikuwa wamejenga barabara na kudumisha amani iliyowawezesha mitume kusafiri kwa uhuru na kueneza injili kwa kiwango ambacho hakijawahi kuonekana. Wayahudi walikuwa wamehifadhi ujuzi wa Mungu mmoja wa kweli, wakashika sheria kali ya maadili, na kupanda masinagogi duniani kote, wakiwavuta wanaomcha Mungu waliokuwa tayari kumpokea Kristo. Kiutamaduni, kisiasa na kiroho, jukwaa lilikuwa limewekwa, na hivyo wakati huo haukuwa wa kufaa tu bali ulikuwa kamilifu kimungu.

3. Why is the virgin birth essential for the doctrine of Christ's deity and sinlessness? What would be lost if it were denied? Key ideas: virgin | conceived | Holy Spirit | God-Man | prophecy | divine | ordinary | deity *Model answer:* The unit teaches that Jesus was divinely conceived by the Holy Spirit (Luke 1:35), fulfilling the prophecy of Matthew 1:23. This is what ensured He was the "God-Man" and not merely an ordinary human being. The virgin birth matters because it marks the entrance of God Himself into human history through a real birth, joining full deity to full humanity in one person. If the virgin birth were denied, Jesus would be reduced to an ordinary man with an ordinary origin, and the basis for confessing Him as fully God entering the world would be lost. It also stands as one of the fulfilled prophecies that authenticate Him as the promised Messiah, so denying it would unravel both His deity and the trustworthiness of God's promises.	**3. Kwa nini kuzaliwa na bikira ni muhimu kwa fundisho la uungu na kutokuwa na dhambi kwa Kristo? Nini kingepotea kama kungekanushwa?** Key ideas: bikira, kuzaliwa na bikira, mwanamwali, msichana bikira | mimba, kuchukuliwa mimba, alichukuliwa mimba, kutungwa mimba | roho mtakatifu, kwa roho, roho, kwa uweza wa roho | mungu-mtu, mungu mtu, mungu na mtu, mungu-mwanadamu | unabii, kutimia, kutimizwa, isaya 7:14, mathayo 1:23 | kimungu, uungu, wa kimungu, mungu kamili | wa kawaida, mwanadamu wa kawaida, kawaida, mtu wa kawaida | uungu, uungu wake, yeye ni mungu, mungu mwenyewe *Model answer:* Sehemu hii inafundisha kwamba Yesu alichukuliwa mimba kimungu na Roho Mtakatifu (Luka 1:35), jambo lililotimiza unabii wa Mathayo 1:23. Hili ndilo lililohakikisha kwamba Yeye ni "Mungu-Mtu" na si mwanadamu wa kawaida tu. Kuzaliwa na bikira ni muhimu kwa sababu kunaashiria kuingia kwa Mungu mwenyewe katika historia ya wanadamu kupitia kuzaliwa halisi, kuunganisha uungu kamili na ubinadamu kamili katika nafsi moja. Kama kuzaliwa na bikira kungekanushwa, Yesu angepunguzwa kuwa mtu wa kawaida mwenye asili ya kawaida, na msingi wa kumkiri kuwa Mungu kamili aliyeingia ulimwenguni ungepotea. Pia ni mojawapo ya unabii uliotimizwa unaomthibitisha kuwa Masihi aliyeahidiwa, hivyo kulikana kungebomoa uungu wake na pia kuaminika kwa ahadi za Mungu.

4. Compare the three temptations of Jesus in the wilderness (Matthew 4:1-11). What do they reveal about temptation and the proper use of Scripture?

Key ideas: temptation | Scripture | bread | spiritual | test | worship | Satan | defeated

Model answer: In the wilderness Jesus was tested and used Scripture to defeat Satan in each case. With the temptation to turn stones to bread, He refused to abandon the spiritual for the physical, saying, "Man shall not live by bread alone." At the pinnacle of the temple, He refused to test God's protection for the sake of personal ambition, citing that we are not to put God to the test. Offered the kingdoms of the world, He refused to worship Satan for instant power, declaring, "Worship the Lord your God, and serve Him only." Together they reveal that temptation attacks through legitimate needs, presumption, and shortcuts to glory, and that the proper response in every case is the rightly applied word of God rather than human reasoning.

4. Linganisha majaribu matatu ya Yesu jangwani (Mathayo 4:1-11). Yanafunua nini kuhusu majaribu na matumizi sahihi ya Maandiko?

Key ideas: majaribu, kujaribiwa, alijaribiwa, jaribu, kujaribu | maandiko, neno la mungu, imeandikwa, andiko | mkate, mikate, mawe, njaa, mawe kuwa mkate | kiroho, la kiroho, kimwili, mambo ya kiroho | kumjaribu mungu, kumtia mungu majaribuni, kujaribu, kilele cha hekalu, hekalu, ulinzi wa mungu | kuabudu, mwabudu, abudu, kumwabudu, ibada | shetani, ibilisi, adui, mwovu | kushinda, alishinda, ushindi, kushindwa, alimshinda

Model answer: Jangwani Yesu alijaribiwa na alitumia Maandiko kumshinda Shetani katika kila jaribu. Katika jaribu la kugeuza mawe kuwa mkate, alikataa kuacha la kiroho kwa ajili ya la kimwili, akisema, "Mtu hataishi kwa mkate tu." Kwenye kilele cha hekalu, alikataa kujaribu ulinzi wa Mungu kwa ajili ya tamaa binafsi, akinukuu kwamba hatupaswi kumjaribu Mungu. Alipopewa falme za ulimwengu, alikataa kumwabudu Shetani ili apate nguvu mara moja, akitangaza, "Mwabudu Bwana, Mungu wako, umtumikie yeye peke yake." Kwa pamoja yanafunua kwamba jaribu hushambulia kupitia mahitaji halali, kiburi cha kujitegemea, na njia za mkato kuelekea utukufu, na kwamba jibu linalofaa katika kila hali ni neno la Mungu lililotumiwa ipasavyo badala ya hoja za kibinadamu.

5. Evaluate the five false theories of the resurrection (Swoon, Spirit, Vision, Mistake, Fraud). Why does each fail to account for the evidence? Key ideas: swoon | spirit | vision | mistake | fraud | blood | touch | 500 *Model answer:* The unit answers each false theory with a specific fact. The Swoon Theory says Jesus only fainted, but the spear in His side produced blood and water, proving He was dead (John 19:34). The Spirit Theory says only a ghost appeared, but Jesus invited the disciples to touch His flesh and bones (Luke 24:39). The Vision Theory says it was a hallucination, but He appeared to more than five hundred people at once (1 Corinthians 15:6), and crowds do not share one hallucination. The Mistake Theory says they went to the wrong tomb, but the women had carefully noted the burial location (Luke 23:55). The Fraud Theory says the disciples stole the body, but frightened men do not die for a lie they know is a hoax. Each theory collapses under the historical evidence the resurrection actually left behind.	**5. Tathmini nadharia tano za uongo kuhusu ufufuo (Kuzimia, Roho, Maono, Kosa, Udanganyifu). Kwa nini kila moja inashindwa kueleza ushahidi?** Key ideas: kuzimia, kuzirai, alizimia, nadharia ya kuzimia | roho, mzimu, kuzu, nadharia ya roho | maono, njozi, kuwaza, nadharia ya maono, ndoto | kosa, kaburi lisilo sahihi, kaburi lisilofaa, nadharia ya kosa, kukosea | udanganyifu, uongo, hila, kuiba mwili, waliiba, nadharia ya udanganyifu | damu, damu na maji, mkuki, maji | kugusa, guswa, mwili na mifupa, mifupa, gusa | 500, mia tano, watu 500, zaidi ya 500, watu mia tano *Model answer:* Sehemu hii inajibu kila nadharia ya uongo kwa ukweli mahususi. Nadharia ya Kuzimia inasema Yesu alizimia tu, lakini mkuki ubavuni mwake ulitoa damu na maji, ikithibitisha kwamba alikuwa amekufa (Yohana 19:34). Nadharia ya Roho inasema ni mzimu tu uliotokea, lakini Yesu aliwaalika wanafunzi waguse mwili wake na mifupa yake (Luka 24:39). Nadharia ya Maono inasema ilikuwa njozi ya kuwaza, lakini alitokea kwa watu zaidi ya mia tano kwa wakati mmoja (1 Wakorintho 15:6), na umati hauwezi kuwa na njozi moja ya pamoja. Nadharia ya Kosa inasema walikwenda kwenye kaburi lisilo sahihi, lakini wanawake walikuwa wameona kwa uangalifu mahali pa kuzikwa (Luka 23:55). Nadharia ya Udanganyifu inasema wanafunzi waliiba mwili, lakini watu wenye hofu hawafi kwa ajili ya uongo wanaoujua kuwa ni hila. Kila nadharia inaporomoka mbele ya ushahidi wa kihistoria ambao ufufuo uliuacha kweli.

6. Why is the conversion of Saul of Tarsus (Paul) a particularly compelling evidence for the resurrection? Key ideas: Saul | persecutor | transformed | Damascus | risen | hostile | Paul | convinced *Model answer:* The unit points out that some of the strongest evidence for the resurrection comes from people who were antagonistic or doubtful and yet believed once they saw the risen Jesus. Saul of Tarsus is the clearest case: he was an active persecutor of the church, not a sympathetic follower hoping Jesus was alive. After meeting the risen Christ on the road to Damascus he was completely transformed into the Apostle Paul (Acts 9:1-6). His change is compelling precisely because he had every reason to oppose the message and nothing earthly to gain by embracing it. A hostile enemy does not reverse his entire life over a rumor; the most natural explanation for so total a transformation is that he genuinely encountered the living Christ.	**6. Kwa nini kugeuka kwa Sauli wa Tarso (Paulo) ni ushahidi wenye nguvu hasa wa ufufuo?** Key ideas: sauli, sauli wa tarso, tarso, saulo | mtesi, aliyelitesa, kutesa, alitesa, mnyanyasaji, kunyanyasa kanisa | kugeuzwa, aligeuzwa, mabadiliko, kubadilika, alibadilika, badiliko | dameski, njiani kwenda dameski, barabara ya dameski, karibu na dameski | aliyefufuka, kristo aliyefufuka, amefufuka, mfufuka, yesu aliye hai | adui, mpinzani, uadui, mpinzani wa kanisa, alipinga | paulo, mtume paulo, paulo mtume, jina paulo | kusadikishwa, alisadiki, aliamini, kuamini, alikutana na kristo *Model answer:* Sehemu hii inaonyesha kwamba baadhi ya ushahidi mkubwa zaidi wa ufufuo unatoka kwa watu waliokuwa wapinzani au wenye shaka lakini wakaamini walipomwona Yesu aliyefufuka. Sauli wa Tarso ni mfano ulio wazi zaidi: alikuwa mtesi mkali wa kanisa, si mfuasi mwenye huruma aliyetumaini kwamba Yesu yu hai. Baada ya kukutana na Kristo aliyefufuka njiani kwenda Dameski, aligeuzwa kabisa kuwa Mtume Paulo (Matendo 9:1-6). Mabadiliko yake yana nguvu hasa kwa sababu alikuwa na kila sababu ya kupinga ujumbe huo na hakuwa na faida yoyote ya kidunia kwa kuukumbatia. Adui mkali hageuzi maisha yake yote kwa sababu ya uvumi; maelezo ya asili kabisa ya mabadiliko makubwa hivyo ni kwamba kweli alikutana na Kristo aliye hai.

7. Explain the significance of Jesus as the "last Adam" (1 Corinthians 15:45). How does His obedience reverse the disobedience of the first Adam?

Key ideas: last Adam | first | obedience | disobedience | death | life | Romans 5 | reverses

Model answer: The unit teaches that Scripture sets Jesus in deliberate contrast with the first man. Paul calls Him "the last Adam" (1 Corinthians 15:45) and develops the parallel in Romans 5: through one man, Adam, disobedience brought death to all, while through one Man, Christ, obedience brings righteousness and life to all who are in Him. Where the first Adam fell, the last Adam stood. This is why His sinless obedience is not merely a personal achievement but the reversal of the ruin Adam began. The first Adam's failure spread death across the human race; the last Adam's perfect obedience becomes the ground of life for His people, so that what was lost in the first head of humanity is recovered in the second.

7. Eleza umuhimu wa Yesu kama "Adamu wa mwisho" (1 Wakorintho 15:45). Utii wake unabadilishaje kutotii kwa Adamu wa kwanza?

Key ideas: adamu wa mwisho, adamu wa pili, mtu wa pili, kristo adamu | adamu wa kwanza, wa kwanza, mtu wa kwanza, adamu | utii, alitii, kutii, utii wake | kutotii, uasi, kuasi, dhambi ya adamu, alitotii | mauti, kifo, kufa, kifo kilienea | uzima, maisha, uzima wa milele, uzima kwa wote | warumi 5, warumi 5:12, warumi sura ya 5, warumi 5:19 | kubadilisha, kutengua, kurudisha, kurejesha, kufidia, ulibadilisha, kuponya uharibifu

Model answer: Sehemu hii inafundisha kwamba Maandiko yanamweka Yesu kwa makusudi katika tofauti na mtu wa kwanza. Paulo anamwita "Adamu wa mwisho" (1 Wakorintho 15:45) na anaendeleza ulinganifu huo katika Warumi 5: kwa mtu mmoja, Adamu, kutotii kulileta mauti kwa wote, ilhali kwa Mtu mmoja, Kristo, utii huleta haki na uzima kwa wote walio ndani yake. Pale Adamu wa kwanza alipoanguka, Adamu wa mwisho alisimama. Ndiyo maana utii wake usio na dhambi si mafanikio ya kibinafsi tu bali ni kubadilisha uharibifu ulioanzishwa na Adamu. Kushindwa kwa Adamu wa kwanza kulieneza mauti katika jamii ya wanadamu; utii kamilifu wa Adamu wa mwisho unakuwa msingi wa uzima kwa watu wake, ili kilichopotea ndani ya kichwa cha kwanza cha wanadamu kirejeshwe ndani ya cha pili.

8. Why did Jesus need to be fully human as well as fully divine? What would be lost if He were only one or the other?

Key ideas: human | divine | Mediator | died | miracles | authority | reveal | Father

Model answer: The unit teaches that Jesus is both fully human and fully divine, and that He is the only qualified Mediator between God and humanity. As a man He truly bled, wept, died, grew tired, and lived within real human limits, so His suffering and death on our behalf were genuine. As God He performed miracles, exercised authority over nature, disease, and death, and taught with a direct authority no mere rabbi possessed, so that to see Him is to see the Father. If He were only divine, He could not truly take our place or share our weakness; if He were only human, He could not exercise divine power or reveal God to us. Both natures are required for Him to be the Mediator who joins God and humanity in one person.

8. Kwa nini Yesu alihitaji kuwa mwanadamu kamili na pia Mungu kamili? Nini kingepotea kama angekuwa mmoja tu kati ya hao wawili?

Key ideas: mwanadamu, ubinadamu, kibinadamu, binadamu, kuwa mtu | mungu, uungu, kimungu, mungu kamili | mpatanishi, mwombezi, upatanishi, mpatanisho | alikufa, kifo, kufa, kuteswa, mateso, alivuja damu | miujiza, muujiza, kufanya miujiza, alifanya miujiza | mamlaka, nguvu, mamlaka ya kimungu, uweza | kufunua, kufunuliwa, kumfunua mungu, kujulisha, alifunua | baba, kumwona baba, kumwona yesu, kumjua baba

Model answer: Sehemu hii inafundisha kwamba Yesu ni mwanadamu kamili na Mungu kamili, na kwamba Yeye ndiye Mpatanishi pekee mwenye sifa kati ya Mungu na wanadamu. Kama mwanadamu alivuja damu kweli, alilia, alikufa, alichoka, na aliishi ndani ya mipaka halisi ya kibinadamu, kwa hiyo mateso na kifo chake kwa niaba yetu vilikuwa vya kweli. Kama Mungu alifanya miujiza, alitumia mamlaka juu ya maumbile, magonjwa, na kifo, na alifundisha kwa mamlaka ya moja kwa moja ambayo hakuna rabi wa kawaida aliyekuwa nayo, hivyo kumwona Yeye ni kumwona Baba. Kama angekuwa wa kimungu tu, asingeweza kuchukua mahali petu kwa kweli wala kushiriki udhaifu wetu; kama angekuwa mwanadamu tu, asingeweza kutumia nguvu za kimungu wala kutufunulia Mungu. Asili zote mbili zinahitajika ili Awe Mpatanishi anayeunganisha Mungu na wanadamu katika nafsi moja.

9. Why was it necessary for Jesus to ascend rather than remain on earth? What does His place at the right hand of the Father accomplish? Key ideas: ascended | advocate | intercessor | Spirit | Counselor | hope | prepare | right hand *Model answer:* The unit gives three reasons Jesus ascended. First, He ascended to speak for us as our Advocate and Intercessor at the right hand of God (Romans 8:34; Hebrews 7:25), so that we have someone representing us before the Father. Second, He ascended in order to send the Holy Spirit, having promised that it was for our good that He went away so the Counselor would come (John 16:7). Third, He ascended to give us hope by preparing a place for us (John 14:2-3). So His departure was not a loss but a gain: had He stayed on earth He would be confined to one location, but seated at the Father's right hand He intercedes for all His people and pours out the Spirit on the whole church. His ascension secures both our present help and our future hope.	**9. Kwa nini ilikuwa lazima Yesu apae badala ya kubaki duniani? Kukaa kwake mkono wa kuume wa Baba kunatimiza nini?** Key ideas: alipaa, kupaa, kupaa mbinguni, paa | mwombezi, kuombea, kutuombea, mwakilishi, msemaji | roho, roho mtakatifu, kumtuma roho, kutuma roho | msaidizi, mfariji, msaidizi atakuja, wakili | tumaini, matumaini, tumaini letu, kutupa tumaini | tayarisha, kutayarisha, makao, mahali, kuandaa mahali | mkono wa kuume, kuume, mkono wa kulia, kuume kwa mungu, kuketi | kuwa katika mahali pamoja, kufaidi wote, kanisa lote, kufanikisha, kutuombea sisi *Model answer:* Sehemu hii inatoa sababu tatu za Yesu kupaa. Kwanza, alipaa ili atusemee kama Mwombezi na Mwakilishi wetu mkono wa kuume wa Mungu (Warumi 8:34; Waebrania 7:25), ili tuwe na mtu anayetuwakilisha mbele za Baba. Pili, alipaa ili amtume Roho Mtakatifu, akiwa ameahidi kwamba ilikuwa kwa faida yetu yeye kuondoka ili Msaidizi aje (Yohana 16:7). Tatu, alipaa ili atupe tumaini kwa kututayarishia makao (Yohana 14:2-3). Kwa hiyo kuondoka kwake hakukuwa hasara bali faida: kama angebaki duniani angekuwa amefungwa mahali pamoja, lakini akiwa ameketi mkono wa kuume wa Baba anawaombea watu wake wote na kumwaga Roho juu ya kanisa lote. Kupaa kwake kunahakikisha msaada wetu wa sasa na tumaini letu la wakati ujao.

10. Summarize the main point of Unit 3. Why is Christology central to the Christian faith?

Key ideas: God | man | Mediator | sinless | died | rose | salvation | know

Model answer: The unit's main point is that God entered human history in the person of His Son, who is fully God and fully man and therefore the only qualified Mediator between God and humanity. Jesus lived a sinless life, died a substitutionary death in our place, rose bodily from the grave, ascended to the Father, and will return as King. Christology is central to the Christian faith because everything depends on who He is and what He has done: there is no other name under heaven by which we must be saved. To know Christ is to know God, since to see Him is to see the Father, and to trust Christ is to receive eternal life. So the doctrine of Christ is not one topic among many but the very center on which salvation rests.

10. Fupisha hoja kuu ya Sehemu ya 3. Kwa nini Kristolojia ni kitovu cha imani ya Kikristo?

Key ideas: mungu, mungu alikuja, mungu katika historia, uungu | mwanadamu, mtu, ubinadamu, mwanadamu kamili | mpatanishi, upatanishi, mwombezi, mwenye sifa | bila dhambi, hana dhambi, maisha yasiyo na dhambi, safi, mkamilifu | alikufa, kifo, kufa, kuchukua mahali petu, kwa niaba yetu | alifufuka, ufufuo, kufufuka, kufufuka kimwili | wokovu, kuokolewa, kuokoka, mwokozi, kuokoa | kumjua, kumjua kristo, kumwamini, kumwamini kristo, uzima wa milele

Model answer: Hoja kuu ya sehemu hii ni kwamba Mungu aliingia katika historia ya wanadamu katika nafsi ya Mwanawe, ambaye ni Mungu kamili na mwanadamu kamili, na kwa hiyo ndiye Mpatanishi pekee mwenye sifa kati ya Mungu na wanadamu. Yesu aliishi maisha yasiyo na dhambi, alikufa kifo cha kuchukua mahali petu, alifufuka kimwili kutoka kaburini, alipaa kwa Baba, na atarudi kama Mfalme. Kristolojia ni kitovu cha imani ya Kikristo kwa sababu kila kitu kinategemea Yeye ni nani na yale aliyoyafanya: hakuna jina jingine chini ya mbingu walilopewa wanadamu, litupasalo sisi kuokolewa kwalo. Kumjua Kristo ni kumjua Mungu, kwa kuwa kumwona Yeye ni kumwona Baba, na kumwamini Kristo ni kupokea uzima wa milele. Hivyo fundisho la Kristo si mada moja miongoni mwa nyingi bali ni kitovu ambacho wokovu unakaa juu yake.
